We have met here to-day to assist in laying the foundation stone of King George Hall, which we hope in future will always bring back whenever we see the building that is to be erected, the memory of the auspicious occasion which has led us to undertake the construction of this building.

I need hardly say that the event which is taking place now in the Ancient Capital of Hindustan is one that is absolutely unique in the History of India.

The Kaisar-i-Hind is to-day receiving in person the homage of his Indian subjects, and it is but meet that we too here, in this part of the Territories of His Highness the Maharaja of Mysore, should do our best to celebrate in a befitting manner this glorious occasion.

The public of the Kolar Gold Fields have come forward to a man, in the most open handed manner, to contribute to this undertaking, which carried to a successful termination, as I have no doubt it will be, will be a lasting memorial of the unique event that is taking place to-day at Delhi.

That such a movement should have been set on foot here is becoming of the great industry

large business capacity and the spirit of enterprise and enthusiasm, so characteristic of the Kolar Gold Fields.

I will now, Ladies and Gentlemen, with your permission, lay the foundation stone of the 'King George Hall'. "

Sir,

In accordance with the orders of Government contained in para 13 of the Government Proceedings No. G.1769-824 / G.M. 101-11-5 dated the 18th September 1911, I have the honor to submit the following report on the celebrations that took place in the Kadur District on the occasion of the Imperial Durbar held at Delhi on the 12th December 1911 by His Most Gracious Majesty the King Emperor, for the purposes of making known the solemnity of his Coronation.

Steps taken in the District on receipt of the Government order.

On receipt of the Government orders referred to above, instructions were given to all local officers to notify the most auspicious event to all the public so as to enable them to make needful arrangements for public rejoicings on the occasion. In the Government order

order, it was directed that formal celebrations and Durbars should be held at the Head Quarters of the District as well as the at the Head Quarters of every Taluk. As the Deputy Amildar of Yedehally Sub-Taluk and the Agent of the Sringeri Jahagir asked for instructions in the matter of holding the Durbars at Yedehally and Sringeri respectively, and as there was no time to obtain the orders of Government in the matter, the spirit of the order was construed as not prohibiting the holding of local celebrations and Durbars at the above places and instructions were accordingly issued to the Deputy Amildar of Yedehally and the Agent of the Sringeri Jahagir with copies of the Imperial Proclamations in sealed covers to be opened and read at their local Durbars. In pointing out to the local officers the details of the celebrations to be observed as mentioned in the Government order, it was impressed upon them that it was desirable to commemorate this most important and unique event by the establishment of some permanent memorials in as many places in their jurisdiction as possible, so that they may serve for all time to come as momemtos of this grand historical event In less important places and villages where costly memorials could not be

erected

erected, the planting of topes of good fruit and flower trees in memory of ~~th~~ this historic event was suggested. The District Forest Officer having readily co-operated in this matter by supplying a large number of " Sampige " --- plants, these were distributed among the Amildars for being planted in all villages of any importance in their - taluks.

One thousand copies of a -- pamphlet in Kanarese dwelling upon a few notable incidents in the life of His Imperial Majesty with a short account of the benefits derived by India under British Rule, specially got prepared for the occasion by Pandit Apprameya Iyengar of the Chikmagalur High School, were sent to all the Taluks for free distribution on the occasion of the local Durbar as also in all schools including village schools. - - - - - - - - - A copy of the pamphlet is herewith submitted for the information of Government.

CHIKMAGALUR.

The rejoicings of the 12th day of December 1911 at Chikmagalur began - with the booming of 101 guns at the -- premises of the European Club. The Rix Police and the British Volunteers then mustered on the District Office Maidan which was fitted up for the occasion for the morning Parade. By the time the - Parade was over, the special committees appointed for the purpose began distributing sweets to the boys and girls in the several Schools of Chikmagalur. Then followed the distribution of food to - the poor of all classes. The services in the several places of worship were begun at 8 A.M. and continued till -- about 11 A.M, under the supervision of the committee appointed for the purpose. The invited guests then began to assemble at the well-decorated Durbar Pavillion in front of the District Office and by -- midday several European ladies and -- gentlemen (numbering about 50) and nearly 300 other gentlemen consisting of the members of the Local Boards and the -- Dasara Representative Assembly. Vakils, Officers, Merchants, &c, and several -- Indian women and hundreds of School - Boys and Girls had all been seated in their respective places. At the appoint-ed hour of noon, the Durbar was formall-

formally declared open and the Royal Proclamation was then read. This was followed by a flourish of trumpets and the singing of the National Anthem by the School Children as also the European Ladies and gentlemen. After the distribution of Pan-Supari, the Durbar terminated with three cheers proposed by the Deputy Commissioner to Their Imperial Majesties King George V and Queen Mary. Immediately after the close of the -- Durbar, I proceeded to the District - Lock-Up with the Officer in charge, to arrange for the release of prisoners and the announcement of the remissions of sentence, while the Vice-President with the other members of the committee appointed for the purpose, attended to the distribution of clothing to the poor at the District Office. At 2 P.M. the - books intended for the Coronation Free Library " were exposed to the Public view and the Library was declared open in the presence of a large assembly - consisting of the invite guests and -- other gentlemen of the town. The next item in the programme of the day was the providing of refreshments to the ~~xxxx~~ assembly at the District Office premises While this function was being gone ~~thxx~~ through on one side, the finals of the School sports which had actually ---- commemced on the evening of the State Entry into Delhi, took place on the

grounds

grounds. After this, there was public entertainment in the District Office Maidan, consisting of acrobatic feats, Sham fights, Music drill &c. The proceedings of the day ended by the illumination of all public buildings and a grand display of fire-works. At night, special services were again held in the Temples of Sri Kondanda Ramaswamy at Hiremagalur and of Sri Venugopalaswamy at Basavanahally and the procession of the God was conducted round the temples with illumination and fire-works. At the European Club, a Fancy - dress -ball was held during the night to which many of the local officers and gentlemen were also kindly invited. In the more important villages of the Chikmagalur Taluk especially where there are Hobli Schools care was taken to see that the local Shekdars and School Masters distributed sweets to the children and held sports for their benefit and the local village officers arranged to hold special ~~xxxxi~~ services in all places of worship.

As definite instructions were given in the Government order of the 18th September in respect of the celebrations and rejoicings to be held on the memorable day, the programme of events everywhere was almost the same except in certain minor details. At Kadur, the Amildar made arrangemnts for the decorations of the town and public buildings. The committee members distributed food and clothing to the poor between 7 A.M. and 11 A.M. Meanwhile, he went over to Birur at the request of some of the local Sowcars to lay the foundation stone of the building called the " Coronation Reading Room ". The morning services were held in 7 temples at Birur and in 5 at Kadur. At the Durbar the Royal Proclamation in Kanarese was read to the people assembled. The School boys of the several communities were fed some officials and other private gentlemen at Kadur, At Birur Mr. Patre Veerappa with his wonted generosity arranged for the feeding of 2000 people of the different classes. Later in the afternoon, distribution of sweets to the School boys and girls of both the places was done and sports were held for the benefit of the school children. The rejoicings terminated with illumination and Fire-works. In the night, special services were again held in the local

temples for the long life and prosperity of Their Imperial Majesties. It may also be mentioned, that in memory of the occasion some cocoanut palms and Sampige trees were got planted in the compound of the Taluk Office at Kadur and elsewhere by the Amildar. Similar rejoicings and planting of topes and Sampige trees were made in several villages in the interior of the Taluk.

TARIKERE.

In the Morning sweets were distributed to the School Children including those of the pial schools, Under the personal supervision of the Amildar. Although it was on the programme that the feeding of only the poor should -- take place on the occasion, it was --- decided by the leading men of the town that a general feeding arrangement for the different communities should be -- made, on that day. Accordingly, each class of people rich and poor alike, was was sumptuously fed at the expense of one or two leading members belonging - thereto and it is reported that the -- Amildar satisfied himself that nearly 3000 people in all had been fed ----- precisely by 11 0' clock on the ------ Coronation day. Particular care was -- taken to allot a small amount for ---- special worship in every temple at --- Tarikere and the number of temples thus censused was so much as 52. It is stated that each of them - small or big - was white washed and decorated and that special services were held in all of - them before noon. At the hour appointed, the Amildar read to the thronged - audience the Royal Proclamation in ---- Kanarese. After the meeting disbursed the Amildar went round inspecting the several places of worship and satisfied himself that the services were -----

punctually

punctually and duly performed. In the afternoon sports for school boys were held and a number of events were gone through. Side by side other entertainments were arranged in which all classes of the public took part till the evening. Then the illumination and fireworks brought the events of the day to a close. The distribution of clothing to the poor which could not be carefully supervised on the 12th, was postponed to the next day when, besides distributing clothing to such of the poor as could openly receive it, care was also taken to make enquiries of needy ghosha women and deliver clothing to some of them as well.

Similar rejoicings were also held at the several Hoblies of the Taluk and in the more important villages. In important temples and places of worship special prayers were offered to the God.

K O P P A.

The Amildar and the local committee members attended to the distribution of food and clothing to the poor, and to the offering of special prayers at the various temples and places of worships. The Durbar was held in the premises of the Taluk Cutcherry in a Mantap erected for the purpose and the Royal Proclamation in Kanarese was read. In the afternoon sports were got up both at Balgadi and at Koppa for School boys. Public entertainment such as wrestling, recitation by boys, singing by girls &c were got up for the occasion. Sweet-meats were distributed to the School children. The programme for the day ended with illuminations and special evening prayers in the temples and mosques and the procession of the Hindu God. It is reported that similar rejoicings took place in some of the other villages in the interior of the Taluk.

MUDGERE.

On the morning of the Durbar day distribution of feeding and clothing were made to the poor in front of the Taluk Cutcherry. At the appointed hour a local Durbar was held and the Amildar read the Royal Proclamation in Kanarese to the people assembled. The Pamphlet on the benefits of British Rule which had been supplied to all taluks was then read out and then they had a dialogue of school boys touching on the value of education. Copies of Proclamation and pamphlets were distributed among the audience which numbered 300. At 3 P.M. sports were held for School boys and wrestling and games for others. After the distribution of prizes to the winners. sweets were distributed to all the school children under the supervision of the Head Master of the place. The bugle was sounded at the -- ~~Kxxxxxy~~ Cutcherry and announced to the people that the proceedings of the day commenced. The distribution of clothing was made to the deserving poor. - Special morning prayers and Pujas in the several places of worship were then attended to. The feeding of the poor of the various classes as arranged --- previously, was finished by 11 A.M. --- Poor people included, the number that were fed by special arrangement was -- 1340 persons. After the reading was over and -- interesting dialogue of two boys regarding the need for being loyal to the --- British throne was arranged to take -- place and at that time Mr.Shantappa - Shetty presented 150 copies of ----

It will be seen from the above that the muzerai grant was supplemented to a large extent by private contributions.

Conclusion.

7. It is highly gratifying to note that in accordance with the suggestions given to the public of the different places to take this opportunity to -- emphasise the fact that it is the ~~xxxx~~ earnest endeavour~~s~~ of His Highness' - loyal subjects in this District to welcome and glorify this historic event, - by commemorating it in an ~~appreciable~~ appropriate and fitting manner, several large voluntary contributions have been offered in -- various quarters for the erection of permanent memorials, and public works of charity have been undertaken by - philonthropic individuals. Particulars relating to these are briefly given - below.

C H I K M A G A L U R.

At a meeting held in the early patt of November 1911 to concert ---- measures for the purpose of celebrating the Imperial Durbar day locally, the people of Chikmagalur decided to memorialize the solemn events by establishing ~~xhxixxFxxxxxxxxxx~~ there a Free - Library to be desiganted the "Coronation Free Library". Liberal sums were subscribed therefor and nearly Rs.400/- - were collected; some useful books were also presented by some of the gentlemen. The Library has been working ~~on~~ the necessary rules having been framed by the --- Committee for the efficient management of the same. It is now housed in the premises of the local 'Industrial and Agricultural Association' and is soon to be accomodated in the Narasimharaja - Wadeyar Town Hall-under construction-in the Municipal Park.

K A D U R.

This great event was proposed to be commemorated at Kadur by the --- people of the place by the erection of a useful public building. Liberal sums were subscribed, of which Rs.300/- -- have been actually collected. Whether the memorial should take the form of a " Town Hall " or a " Girls' School" will be decided later on according to the funds that may be forthcoming.

Birur.

B I R U R.

As already stated, foundation stone bearing inscription " Coronation Reading Room 12th December 1911 " was laid at Birur on the Coronation Durbar day. As the People are enthusiastic - about the construction of the building, there is every chance of its soon becoming an accomplished fact.

T A R I K E R E.

In addition to a Washington Light which is to be installed at --- Tarikere in a place already selected - the people have been anxious to have a reading room also established there and they have been taking energetic steps to achieve their object.

Y E D E H A L L Y.

A philanthropic Sowcar of Yedehally - Mr. I. Santappa Shetty - has undertaken to build a Chatram at - Yedehally to be called " King George V Coronation Chatram " at his own cost. The foundation stone of this building was laid as stated already, on the -- Imperial Durbar day.

K O P P A.

An In-patient ward after the name of His Imperial Majesty has been decided to be constructed ~~there~~ at Koppa. A sum of Rs.650/- has been subscribed by -- several leading men of the place and it is believed that the matter will soon take a definite shape.

Sringeri.

S R I N G E R I.

A sum of Rs.1000/- has been promised ~~by~~ and Rs.373/- already collected for the construction of a " ---- " Coronation Hall " or " Bathing Ghat " as ~~will~~ may be decided later on, in commemoration of this important and unique event.

M U D G E R E.

The people of Mudgere had it under contemplation for a long time to have amidst them a temple to be dedicated to God Sri Venugopalakrishnaswami. The occasion of the rejoicings of the Imperial Coronation was taken advantage of to collect additional funds for the temple and also to commemorate the --- Durbar day by the erection of a ----- " Coronation Reading Room " The -- foundation stone for the temple was laid by me at the request of the people on the 9 th December 1911. They have already subscribed Rs.400/- for the - construction of the Reading Room and are attempting to collect more funds -- for the purpose.

Other memorials

It will occupy much space - to dilate upon the other works of xxxx charity such as the construction of a well at Shivane, the planting of avenue trees and of groves or topes of fruit and flower trees, the opening out of roads &c, in several villages of the Kadur and other Taluks, undertaken by the people in memory of this solemn event. These may be works of s------ comparitively small magnitude; yet, as they are true indications of the people's genuine love for and profound loyalty to the greatest sovereign -- that has ever ruled our vast Indian Empire, I have indicated them ~~here~~ - ~~for the kind information of Government~~ briefly in this report.

I have the honor to be,

Sir,

Your most obedient servant,

[illegible]

Deputy Commissioner,

Kadur District.

To

K.R.Srinivasa Iyengar, Esquire, M.A.,
Deputy Commissioner and President
of the Municipalities, Kadur District,
C H I K M A G A L U R.

Sir,

I have the honor to submit the following report regarding the celebrations in Chikmagalur ~~TOWN~~ Town on the 12th instant on the occasion of the Coronation Durbar at Delhi of Their Most Gracious and Imperial Majesties, King George V, and Queen Mary.

2. It needs scarcely be stated that the occasion was a unique and unprecedented one in the annals of India and Chikmagalur Town was second to none in its enthusiasm and loyalty in seizing the opportunity to celebrate the event in a manner worthy of its importance as the Head Quarters of the District.

3. As early as the 2nd November at the request of some of its citizens, a Public Meeting was convened at the High School Hall under the Presidency of the Deputy Commissioner in order to consider how best to carry out the object. The Hall was packed to its utmost capacity and the meeting was a highly successful one at which - some of the leading European Planters of the District -- were also present.

4. After a brief and interesting speech by the

chairman

Chairman, regarding the object of the meeting, the following propositions were moved and unanimously adopted with acclamation.

i. " That the Coronation of Their Most Gracious and Imperial Majesties King George V and Queen Mary be celebrated in Chikmagalur Town in a fitting manner and that public subscriptions be invited for the purpose."--

ii. " That in commemoration of the Coronation event a free library to be called " The Coronation Free Library " be opened and that it be located in the Narasimha Raja Wadiyar Town Hall, Chikmagalur now under construction in the Park."--

5. It may be mentioned that several of the gentlemen present were very keen about associating the event with something of permanent importance, and all were unanimous in having a Public Free Library in the Town as one that has many things to commend it.

Then Mr.C.Srinivasa Rao proposed the names of ---- gentlemen with power to add to their number (as per list appended) who were to form a committee for the collection of subscriptions ~~for~~ and ~~for~~ arranging the necessary details, which was duly seconded, and a decent sum was liberally subscribed on the spot both for the Coronation Durbar and the Free Library.

6. Directly the Public Meeting was over, the general committee sat and constituted the Sub-Committees for the several events which were programmed for the auspecious day as given below:-

10. While the several Sub-Committees were at work as regards the events entrusted to their direct charge, the Sub-Committee appointed for the selection of books for the " The Coronation Free Library " consisting of the gentlemen named in the margin, were not slow in performing the task allotted to them. It was decided to have for the Free - Library books in English, Hindustani, and Urdu, Sanskrit & Kanarese,- books which are as far as possible of permanent interest. With the funs on hand, it was just possible to make a small allotment as shown hereunder for the immediate purchase of books, but as observed by the Deputy Commissione this is only a nucleus and which is certain to be a mighty thing at no distant date.

(1) English Books ----------Rs. 100/-

(2) Hindustani & Urdu Books. -- 50/-

(3) Kanarese & Sanskrit Books--- 50/-

Rs. 200/-

The Committee highly feel thankful to Mr.C.Srinivasa Rao, Coffee Planter, for his gifts of a large collection of valuable Sanskrit books and also Mr. P.R.Subrahmanya Sastri B.A., Head Master amongst a few others who cheerfully came forward to make a present of some of the useful English - books.

11. To turn to the other events connected with the -- Coronation Durbar:-

The Sports Committee in which Messrs H.Watson, D.Meppon, H.Allardice, S.N.Chokkanna and P.R.Subrahmanya Sastri and others took considerable interest wisely arranged to go on with the different items of sports in accordance with a - Programme chalked out by them commencing from the 7th December 1911 - the date of the State Entry to Delhi of Their Imperial Majesties - reserving only a few items and the - distribution of prizes to the winners on the 12th December the Imperial Durbar Day, instead of crowding all the events for the single day, which would have been impossible to get through with the varied events that were in the programme and the time vailable.

The beautiful Maidan opposite the District Office, which had been roped and neatly decorated with flags and buntings lent itself very well for the purpose and the -- streams of persons that visited the sports every evening were a pleasant sight.

12. I think, it will not be out of place to give below the details of events provided for each day by the

Sir,

In obedience to your order No.60-64 dated 29th October 1911, I beg to submit the following report on the celebrations that took place in the various parts of the Taluk on the 12th December last in honor of the Coronation of Their Imperial Magesties King George V and Queen Mary at Delhi.

K A D U R M U N I C I P A L I T Y.

As per instructions, the townspeople had white-washed and kept their houses clean. All the principal streets had been decorated with buntings and green festoons. Three pendals had been erected, one in front of the Taluk Cutcherry where the Durbar was held, a second in front of the Police Station and a third in front of the Anglo-Vernacular School. The first two pendals had, in addition to the usual decorations, been adorned with buntings, flags, chinese lanterns &c., specially got from Madras for the occasion. In the centre had been placed on a dias, the Portraits of King, Queen and His Highness the Maharaja, tastefully decorated. All the other public buildings and temples had been similarly decorated and the whole town presented a

lively and cheerful aspect.

Durbar. By 11.30 A.M. all the Municipal members, local merchants, Sahukars, the Police, Barr, School-boys and others numbering over 600 had assembled in the Durbar Pavilion in front of the Taluk Cutcherry. After this was over, Mr.Krishnaswamy Iyengar the Head Master of the A.V.School read a pamphlet on the life of H.M. the King, George. The Police and Barr fired three rounds of feu-de-joi and offered their salute to the Portrait of the King Emperor. As a memento of this occasion, nine cocoanut plants were planted in the compound of the Taluk Cutcherry and 8 Sampige plants were planted in various places.

To commemorate this most important and unique occasion in a befitting manner, the construction of a permanent memorial in the shape of a Town Hall or Girls' School has been the ardent wish of the people. In addition to the sum of Rs.10/- sanctioned to the Union by Government and 0-12-0 allotted for Muzrai worship, the people are reported to have contributed Rs.24-14-0 for the celebrations. In the morning, Pujas in 6 temples were performed. Mr.Naranappa,Shanbhog,is reported to have offered a pair of gold shoulder ornaments (Vankey) to Sri Sakuni Ranganatha Swamy as a remembrance of this unique occasion. Feeding and clothing on a small scale at a total cost of Rs.5-2-0 is also reported to have been done. In addition to this, Mr.Naranappa is reported to have fed the brahmins at his own cost.

At 12 noon, the townspeople, headed by the Sheikdar, are reported to have assembled at the school hall which had been decorated. The portraits of Their Imperial Magesties and His Highness the Maharaja had been placed on a dias beautifully decorated. Mr.Appramiengar's book was then read out and Pan supari distributed. Mr. Rangarajiengar, Head Master of the School read a paper on loyalty and advantages of British Administration. After this was over, they held sports and distributed books and money prizes to winners and sweets to school children. In the evening, the town was illuminated and the Rangnathaswamy taken in procession with a display of music and fireworks. After this was over, the assembly are reported to have once more assembled in the temple and offered prayers for the long life and continued happiness both to the King and Queen and to our beloved

Maharaja. Three Sampige plants are reported to have been planted before the Travellers' Bungalow in commemoration of the event.

In Devanur, the people are reported to have collected Rs.10/- to supplement the allotment of 0-8-0 sanctioned from Muzrai Funds and offered Pujas, Abhisheka and Deepothsava to Sri Lakshmi Kanta Swamy. Sports and sweets were also provided for the school children. In the villages of Karehalli, Nidagatta and Pillenahalli, the people with the Patel as their head, are reported to have celebrated the event in a similar manner. In Pillenahalli, the villagers are reported to have planted avenue trees in commemoration of the event. In Nagenahalli, similarly a new tope was planted and a road as far as the Hanumantharaya temple opened. In each of the above mentioned villeges, two sampige plants are reported to have been planted as also in Gubbihalli, Banur, and Agrahar villages.

H I R E N A L L U R H O B L I.

The Sheikdar reports that at Hirenallur he assembled all the villagers and had Puja service offered in the Anjaneya Devaru temple in the morning and read out Mr.Apramiengar's book to the Assembly; that Deepothsava &c., were conducted in the evening, that similar celebrations were conducted in Antaragatte, Hiriyur, in which latter place, sports and sweets were provided to school children, Asandi, Chamanahalli, Malenahalli, Doddabasur, Kyadagere, Kamanakere &c., in all of which places sampige plants were planted.

B I D R E H O B L I.

The Sheikdar of Bidre reports that special prayers were offered to Sri Ranganathaswamy Devaru at Hosahalli, with the help of private subscriptions sup-

supplemented by the Muzrai grant and to Mallikarjuna Swamy at Keresante; that Sampige plants were planted in the villages of Keresante, Madapura, Kundur, Rangapura, Kodihalli, and Singatigere; and that he has got new tope planted at Keresante, Yeradakere, Karelinganahalli and Mallagatta in commemoration of the event.

Y E G A T I H O B L I.

The Sheikdar of Yegati reports that at Yegati he convened a meeting of the villagers in the morning and conducted pujas in all the temples. At noon, Mr. Appramienger's pamphlet was read out. In the evening sports and sweets were provided for the school children. His detailed report is not yet to hand.

As some vouchers and particulars are still wanting, I will submit a consolidated statement of expenditure accompanied by vouchers in support thereof in the course of a few days.

In conclusion, it gives me infinite pleasure to state that the way in which all the people co-operated, each in his own sphere, to make the celebrations as successful as possible and their efforts to mark this most important and unique event by means of permanent memorials such as, Town Hall, Reading Room, Topes, Roads, Avenue trees &c., are themselves evidence of how unbounded and deepfelt is their loyalty to the Imperial throne; how they appreciate the advantages of British Rule in India, and with what amount of gratitude they view this auspicious occasion of their Emperor and Empress, wearing their crown in the people's own motherland at Dehli, the most ancient and historical city in India.

No.4.

No.87.

Tarikere,

Dated 13th/24th December 1911.

To

The Deputy Commissioner,

Kadur District.

Respected Sir,

I beg to submit herewith, the following report in re the Celebrations and festivities observed in Tarikere Town and in various important centres of the Taluk, on the 12th day of December 1911, the date of the Imperial Durbar at Dehli, as directed in G.O.No.G.1769-824/G.M.101-11-5 dated 18th September 1911 and in Deputy Commissioner's Circular No.60-64 dated 29th October 1911

2. Tarikere Town being the Head Quarters of the Taluk and a big populated centre, I shall first note down the events that were arranged and celebrated here that day.

3. As already reported in my camp No.A dated the 11th November 1911, sub-committees had been formed for the main divisions of the work as noted down in para 6 of the above Government Order. A programme of events to be gone through that day was drawn up two days before and cyclostyled copies of the same in English and Kanarese had been circulated to the members of the sub-committees and to the general public. A copy of the same marked No.1 is herein enclosed.

4. Distribution of sweets to school children formed the first item of the programme. There are four

recognized schools in Narikere Town. These are,

1. Government Boys' A.V.School.
2. Government Boys' Hindustani School.
3. Government Girls' Hindustani School.
4. Weslyan Mission Girls' School.

Besides these, there are three private pial schools. The sub-committee formed for the distribution of sweets and holding of sports had, in their sitting on the 1st December 1911 under my presidentship, resolved to distribute sweets in the several schools themselves. A copy of these Proceedings marked No.II is herein enclosed for information. This arrangement was considered best in the interest of the school-children and to avoid the confusion of their being mixed up with other non-school-going children and of the chance of some of them at least being missed. The Head-Masters of the several schools, and the Head-Mistress of the Hindustani Girls' School and the Evangelist of the Weslyan Mission in charge of the Girls' School had been previously requested to have all their pupils present before each of their schools. As previously arranged, all the local officers, the Town Municipal Councillors and the leading Townsmen met near the A.V.School and went inside it together. The Head Master and his assistants had taken great pains. The main hall where the school boys had been seated in order was well decorated with ferns and pictures . A portrait of their Imperial Magesties in coronation robes, with a map of India below it, had been placed on a dias. The Head Master read an exhortation to the students impressing the benefits of the British Rule and of the historic importance of that day. The Weslyan Mission School girls had also been arranged here, as it was said, that that was the practice on all such important occasions

The boys first and then the girls sang melodious tunes prepared for the occasion. This over, the boys were made to range themselves classwar in their several rooms. Sweets in the shape of sugar-biscuits &c., were freely distributed first to the girls and then to the boys, care being taken not to miss a single boy or girl. Even absentees were noted and sweets in lumps were given to their several teachers. From the A.V.School we all went to the Hindustani Boys School, which is at the other end of the town. The hall had been tastefully marked out in green verdure. The same course was gone through here. The head master took this opportunity for having certificates distributed by the Chairman to the Candidates who had passed the Lower-Secondary Examination, from his school. The Hindustani Girls' School was then visited. The Head Mistress and the girls were in ghosha. Needle-work and embroidery done in lace by the girls, were shown to the public and cash prizes were given. Sweets were sent inside in a lump to be distributed to the girls. Sweets were then sent to the pupils of the three pial schools and this part of the function was then closed.

5. From thence we moved on to the Jumma Masjid, where the town Khaji Sahib had, as previously instructed by me and paid for, got prepared food for more than 300 poor mahomedans who had already assembled. Permission was prayed for and granted to distribute the Khana.

6. A sumptuous breakfast had been arranged for the whole Brahmin population of the town which number about 700. All the Brahmin Officers and myself attended to this and partook of the breakfast, which took place in Purnayya's Chatram at 11 A.M. precise. It was indeed a most noteworthy thing, not known in the annals of Tarikere, that the feed of the Brahmins to such a large number should have been so successfully carried out at

11 A.M., as the Brahmin Samaradhana meal is proverbia lly late. That the public should have so willingly responded shows that every one was keen in carrying out the items of the programme arranged on this auspicious day.

7. I beg to note that the most interesting feature in the arrangements made in this town, was not merely to feed the poor, but the whole town population of all sects and creeds were paid for, and were made to observe a feast day and arrange for a general eating. Each sect and community prepared a general dinner either at a temple, mutt, or a big house and all the members of that community dined together before 11 A.M., so that, a general feeding of the whole townsmen was successfully carried out. The details of the number fed will be noted below when I come to that head. I am now only giving the general run of events in order.

8. Next comes the Durbar, - the most important function of the day - . Invitation cards printed in @@@@@ gilt had been distributed two or three days before to all the Coffee Planters, Taluk and District Board Members, Representative Assembly Members and leading gentlemen of Tarikere Town including the Municipal Councillors. The Taluk Office Hall had been tastefully and picturesquely decorated by the Sheristadar with a Portrait of Their Imperial Magesties in the centre. Every one of note and the members of all communities were present. The Hall, the Court-room, the side-rooms, verandah and every possible inch of space was crowded to full. Local music in the shape of Band Bugle, Drum etc., and the Taluk Gong announced the midday hour. Precisely at 12 noon, the object of the meeting was shortly explained in Kanarese. The sealed packet containing the proclamation was shown to and opened in the

presence of the public. The whole audience standing, the Proclamation was read by me in Kanarese. First the Barr and then the Police gave the Royal Salute, and each fired a "Feu-De-Joie". Then addresses prepared for the occasion explaining the benefits of British Rule and of the importance of that day were read in Hindustani, Kanarese and English by the Assistant Masters of the A.V.School, the Head Master of the Hindustani Boys' School,,Sub Assistant Surgeon Mr.M.Guru Rao, and in English by Post-Master Mr.Bhimasenachar. Then Pan-supari scents and flowers were freely distributed to the gentlemen present. This lasted till 1.30 P.M., and then the Durbar ended. After the Proclamation was read, copies of the same that had been received from the Government Press sealed, were distributed as also the copies of Kanarese pamphlets glorifying the Coronation of Their Imperial Magesties, kindly supplied by the Deputy Commissioner for free circulation, were distributed. A sample of the Durbar invitation card marked No.III and copies of Addresses marked No.IV are herewith submitted for information.

9. After the Durbar, I inspected all the temples, of the town, of all sects, and Maszids which had been paid for from the collections. In each and every temple worship and services were punctually and solemnly carried out. The Protestants held special services in their church. It is only on such and similar occasions, one comes to learn the large number of temples, fallen mutts, and Maszids and various other hitherto unknown or insignificant buildings to be places of worship. It took much time to believe, that Tarikere Town commanded 50 Hindu and ten Mahomedan places of worship. All these were individually given some quota of the collections.

Each temple and Mutt or Maszid had been white-washed. Plantain trees and Mango-leaves covered the entrances in full, and Puja or Service had been duly performed.

10. At 3 P.M., sports for school-boys and girls and for the public were commenced. More than 2500 public were present. The whole Taluk Cutcherry compound was full. Every one was in his gay dress. The sub-committee had been holding sports for the last three days, and only finals had been reserved for that day. The pupils had been devided into seniors, intermediates and juniors. The foot-ball final had been played the previous day between the A.V. and Hindustani School boys. That day the following sports were held.-

i. For Boys.
(1) Flat race.
(2) High jump.
(3) Three-legged race.
(4) Obstacle race.

The boys were made to run through the legs of benches, under logs raised one foot high from the ground, and ascending and descending ladders specially constructed for the purpose.

ii. For Girls.
(1) 100 yards flat race for children.
(2) Needle-work and matting with paper pieces for elder girls.

Besides the sports for children the public demanded that something should be done for them, to take part.

iii. For Public.
(1) Donkey race.
(2) Ram fight.
(3) Wrestling among gymnasts.

This is a very favourable occupation in Tarikere town as some 3 or 4 talimkhanas exist and wrestling matches are held on a large scale in Tarikere town, during the Dassara to which trained gymnasts from Shimoga Mysore and other places turn up and gold and silver bangles are awarded as prizes to winners.

(4) Latta-turning with torches.

(5) Acrobatic feats by Dombars.

(6) Bicycle-race, the slowest winning the prize.

(7) Tug of war, elite townsmen VS Government servants.

iv. For Government servants. (1) Flat race for Police.

(2) Officers' flat race.

These races afforded a delightful spectacle to all those present and took much time lasting till dusk. Money prizes were awarded to winners except for officers flat race which was done more for the fun of it and to rouse the latent energy of officers. The school masters of every school and the sub-committee members took a keen interest and carried out the sports commendably without any hitch. The Police energetically kept order.

11. The sudden glare of lights at the close of the prize distribution for the sports, showed that the last part of the day's functions, viz., illuminations was in progress. More than a hundred tin lights had been prepared for the occasion. Six feet poles had been planted all along and in front of the Taluk Office and Compound as also lamps were placed in a row on the front of the Taluk Office Building. All these lights burning together cast beautiful rays of a steady and bright glare, an index of the even-handed bright justice and glory of the beneficient rule of Their Imperial Magesties. All the Government buildings viz., the Taluk Office, the D.P.W.

Sub Division Office, the Post Office, the A.V.School and the Hospital had been similarly illuminated and presented a bright appearance. The procession of the town diety Salmaradamma had been started in all its grandeur and with the deity in front of the Taluk Office, fire works were displayed on a grand scale. These fire-works were prepared in Tarikere Town and showed that this part of the Industrial development had far advanced even in our Taluk Head Quarters. The Post Office under the guidance of the intelligent and popular Post Master Mr. Bhimasenachar, was at its best, justifying the name, "Imperial" prefixed to it with its choice and tasteful lights and artistic decorations. The letters G.R.I. were beautifully illuminated.

12. Instructions had been given to the townsmen to illuminate all the temples and put bright lights in front of their houses. All of us went to inspect these. Every temple had been well illuminated, in front of each house lights were burning, all roads had been watered, plantain trees and mango toranams had been used freely, and in the Kurubar street especially, illumination had been carried out by cotton seeds dipped in oil and burnt in earthen pans kept on plantain poles fixed in the ground. Fire works on a very large scale were displayed in the Kurubar street, the leading members evinced much interest and the whole inspection turned into a procession with local Band and fire-works all the way along. The whole town flittered with lights in and all round.

13. To give a fitting close to the day's proceedings, an Officers' Mess had been arranged under the supervision of Mr.Rama Rao, Koti Forester, in the Sandal Koti building. A few of the enlightened townsmen and all officers met there and had a sumptuous supper.

14. As there was no time that day for the distribution of clothes to the poor, the function had been with common approval, adjourned to the next morning. On the 13th morning the representatives of all the communities had been invited and on their recommendations and in their presence Rs.34-8-0 punchays and Rs.16/- worth of serrays were distributed to the poor of all sects, about 80 persons in all being given clothes, the majority of receipients being Mahomedans. Lists of ghosha women and poor brahmin ladies who could not attend a public office were made before hand and clothes sent to their residences. This was a marked advance and a judicious one, than indiscreminately giving cloths only to those that presented themselves on the occasion. This method gave general satisfaction.

15. Coming to receipts and expenditure, statement marked No.V, hereto appended, gives in detail the amounts collected and the sum spent in Tarikere Town. In additio to the Government grant of Rs.50/-, the Town Municipality gave 100/- with the sanction of Government. Rs.217/- was voluntarily paid as subscriptions by the townsmen. This was a decent amount and shows the loyal and willing response of the townsmen to celebrate the day fittingly. The total receipts thus come to Rs.367/-. This does not include the Rs.5/- given under Muzrai grant, nor the Rs.10/- given to Ajjampur.

16. Under the head expenditure, it will be noticed that Rs.100/- has been reserved to grant some permanent gifts to the town, in the shape of providing a Washington light and a Coronation Photo of Their Imperial Magesties. It has to be observed that the various small sums given for feeding to the numerous communities should not be taken as an index to the number of people fed. While

giving the amount itself, each community was told that it was only a nominal amount given as present on behalf of Government, or to put it in Patel Sivappa's words, the amount was only to cover the cost of the ghee required, and that it should be supplemented by a liberal contribution by them and that the members of the whole community should be fed. It is indeed gratifying to record that the people did come forward with liberal grants and the whole townsmen without one exception were fed. The townsmen thus taxed themselves twice, once for feeding their own community members and once again for payment to the general expenses of that days expenditure. The cost of the Officers' mess was paid for privately by the Officers and does not find a place in this statement. To inspire confidence in the minds of the subscribers and to serve for a future reference, the undersigned has arranged to get this statement No.V giving the names of individual donees also printed and freely circulated. It is already in the Press, and copies are expected by the 20th instant. I shall submit one or two of them after receipt.

17. As already reported in my camp No.A dated 11th November 1911. three sub-committees were formed in this town to look after the arrangements that day, one to look after feeding and clothing, one for sports and one for illumination. Statement marked VI, hereto attached, gives the names of each of the members constituting the sub-committees, as required in Cl.(2) of para 13 of the Government Order.

18. Clause (3) Para 13. The whole Tarikere townsmen were fed as arrangements were made that every community should have a general feeding. The approximate number of the people fed may be stated to be as follows:-

a. Brahmins	700
b. Mahomedans , ...	300
c. Hallmatha or Kurubars. .	500
d. Melusakkare or Uppars .	250
e. Lingayets	200
f. Devangas	250
g. Other sects as detailed in statement No.V. . . .	800
TOTAL	3000

The number of people clothed was 80 including both males and females.

19. Clause (4) of para 13. More than 600 attended the Durbar and over 2500 sports, illuminations etc.

20. Clause (5) of para 13. The details of sports held for school boys and girls are given in para 10 above. The children of all schools numbering about 450 took part in the sports and receipt of sweets.

21. Clause (6) of para 13. Five rupees had been sent by the Deputy Commissioner for distribution to Muzrai Institutions in the whole Taluk for holding services etc. This was too small an amount and this was distributed among 15 Muzrai Institutions as shown in the statement marked VII attached to this report. Besides these, prayers were offered in 52 places of worship in Tarikere Town, as prescribed in No.867/Muz.172-11-2 dated 20th October 1911. All those institutions were individually paid from the general collections. The names of these and the amounts given to them are given in statement marked No.VIII.

22. Up to now, the details of the celebrations in Tarikere town have been noted. In all important centres

of the Taluk and in all villages where schools are situate, special celebrations were held. As per Deputy Commissioner's instructive Circular No.8 dated 20th November 1911, every village was cleanly swept that day, the village temples whitewashed, plantain trees and mango leaves stuck up, special prayers offered and illuminations done. To Ajjampur Town alone, the Deputy Commissioner granted Rs.10/- but the townsmen spent Rs.40/-. In Lingadahalli, Sivane, Ajjampur, Bukkambudi, Kudlur, Mundre, Lakkavalli, Hunsagatta and Donnahal, the celebrations were carried out forcibly and the poor fed and clothed. The Koranahalli Patel evinced much interest and got the day observed in his village as a universal festive day. Bukkambudi celebrations were more than they were expected. The interesting feature was, that in every place where there is a hobli school, sports were held and sweets were distributed to the children. To avoid repetition of detailing the celebrations done in the villages of the Taluk, I have herewith sent the interesting reports received from all the Sheikdars and a few selected reports and addresses received from school masters and Patels. All these are covered by a pherist and are marked No.IX. These reports show that a universal rejoicing and a spirit of deep loyalty prevailed that day throughout the whole populated area of this Taluk, and each and every individual took a keen interest and realised that that was not only a feast day to be observed, but that the grandest event in the world's history was being celebrated that day. The reports herein enclosed speak for themselves and are worth perusal.

23. I now come to "Other points of special interest" noted in clause (7) of para 13 of the Government Order.

Under this head, I have to first note that after the Proclamation was read in Tarikere Taluk Office, the large audience present, requested me to send a wire immediately conveying the Loyal Congratulations of this Taluk subjects to Their Imperial Magesties. I could not in reason resist their universal request and I was obliged consequently to send the following Express Message to the Dewan of Mysore, at Camp Dehli; the message was:-

> "Tarikere Taluk Subjects in Durbar assembled humbly request their loyal congratulations to be conveyed to Their Imperial Magesties and pray for their long life and prosperity"

24. In Deputy Commissioner's Circulars Nos. 8 & 9 dated 20th and 23rd November 1911 respectively, it was ordered to plant Sampige Plants in each village on the Coronation Day, in some public place, in commemoration of this important day. 160 plants were supplied to this Taluk by the Forest Department. They were distributed to the several Sheikdars and the Town Sanitary Inspector, as shown in statement No.X hereto appended. As the number of Sampige Plants was not enough for the total number of villages in the Taluk, the Sheikdars were requested to distribute those now sent, to important and populous villages. I have to note, that 25 per cent of the plants had been dried up at the time of receipt, and that more than 50 per cent of those planted have not come up. This is not due, I may hasten to assure, to any lack of care on the part of the Patels or Government servants entrusted to tend and bring them up. On the other hand, I have to add, that the Patels and others are showing more than a paternal and loving care to bring them up. The tree being a Sampige one, and as such, useful to the villagers, this fact adds to the

interest of the villagers and the charge of negligence on any body's part cannot be substantiated. In fact, in places where I have personally inspected, I have found that bamboo tatties have been put up round the pit, containing the plant, and every care needed is being bestowed. Under these circumstances, the only inference that could be drawn from the failure of these plants to rise up, is, that in the hurry they were uprooted by the Forest Department, good, bad and indifferent plants were mixed up and this fact added to the untimely season of planting, accounts probably to the failure. This would of course be easily remedied by supplying sufficient number of these plants in the Mungar rainy season and this is what I have told the Sheikdars and Patels.

25. With Deputy Commissioner's Circular No.10 dated the 29th November 1911, ninetynine Kanarese pamphlets explaining the Coronation of thie Imperial Magestics were supplied, for free circulation and it was directed in Circular No.8 dated 20th November 1911 that the book should be read in a public place in every village on the Coronation day. These books were distributed as shown in statement No.XI. The number of books being too small, they were given only to large villages. There seems to be a great demand for these books and if copies could be supplied at six pies each, a good number, it is believed, may be sold. As per Sub Division Officer's D.O., Rs.10/- has been tentatively kept apart to be given as a bonus for these 99 books. But as a lump sum of Rs.100/- has been saved, I think it better that if any sum is wanted for these books it could be realised, by a sale of fresh copies.

26. This leads me on, to the question of the best way of utilising the Rs.100/- saved from out of the funds collected in Tarikere Town. The leading Townsmen

and Sub-Committee members, desire that a Washington light be presented to Tarikere Town Municipality, to be fixed at the road leading to the Railway Station. This sum of Rs.100/- is thought sufficient to cover the cost of the light and of a iron post to which it has to be fixed. The Municipality will be requested to maintain it and to make arrangements to light it when necessary. It is with this purpose that the cost of illumination charges were at a low level.

27. The last point of special interest I have to note, is that in the Proceedings of the public meeting held on the 8th November 1911, it was unanimously resolved to build in Tarikere Town a Town-Hall or a Reading Room to stand as an ever lasting momento of this most unique event and that subscriptions should be called in for this purpose from all the respected gentlemen of the Taluk. Copy of these proceedings marked No.XII is herein enclosed for information. Duplicate receipt books (in the form of cheque books) have been got printed for this purpose and a few hundreds of Rupees have been subscribed. This general desire on the part of the Taluk subjects was in consonance with the wish expressed in Deputy Commissioner's D.O. No.7 dated 26th October 1911. As the selection of a site for this purpose formed one of the chief features and as there was not sufficient time to obtain the sanction of the authorities, it was decided to defer the question of laying the foundation stone on this day. As it was necessary to give a practical shape to this universal wish, it was the general advice to have all the amount necessary collected and kept in hand, before attempting to do anything in the matter. A similar attempt in Tarikere Town ended in laying a few foundation stones and is now serving as a red flag for undertaking

such things in future. My being engaged in attending Huzur Jamabandy and other pressing affairs, did not give me sufficient time to explain this commendable object to the Taluk subjects. But I am sure, that this time at least, the people will come forward to complete their long desired object.

28. It only remains for me, to bring to the notice of the Deputy Commissioner, that a strong sense of intense and loving loyalty and a spirit of keen enthusiasm pervaded throughout the whole Taluk and every one vied with the other to show his deep feeling of the same. The deafening and resounding tones of the greeting cheers, expressed to the long life, benignant rule and progressive prosperity of His Highness the Beloved Maharaja of Mysore and to Their Imperial and Gracious Magesties, on the occasion of all public gatherings, were really heart-inspiring and showed the jubilant spirit of our loyal and devoted subjects. In short, this Taluk did not lag behind and from the reports published in papers, it is seen that this Taluk could lay claims to take one of the places in the front rank. This does not mean, that our celebrations were done in any spirit of competition; but with the sole object of expressing our humble loyalty and the performance of a sacred day.

29. I have only to add, that I have great pleasure in testifying to the fact that the whole public, the several Government Officers, and all the subordinates, worked with hearty coeperation and a touching harmony in successfully (as we believe) carrying out the arrangements made for this grand occasion; and I take this opportunity of tendering my best and sincere thanks to each and all of them. It is to be particularly noted that brother officers of departments independent of me,

worked with the same ardour and zeal and contributed largely to this end. It is neither pleasant nor appropriate, to single out names of particular individuals who did their best. But if I am forced to do it, I should say that among the public, Patel Sivappa stands foremost in encouraging voluntary subscriptions on the part of the public. Sub Assistant Surgeon Mr.M.Guru Rao was the moving spirit in the sports and distribution of sweets to school children; and but for Mr.H.Koneri Rao, Sheristadar, the reception in the Durbar would not have been so successfully and smoothly carried out. Mr.Asadulla Hussain always stands a high in an intelligent appreciation and exposition of the greatness of this event. The maintenance of public peace and order and the orderly management of such large gatherings without giving rise to any hitch or unpleasantness, showed the ability of Mr.Fida Hussain, Police Inspector and the willing attention to duty, of his subordinate officers and staff. Koti Forester Mr.A.Rama Rao and Post Master Mr. Bhimasenachar showed their fitness in managing tasteful programme. Among all the subordinates, I cannot but single out the unswerving energy and obedient discharge of work on the part of the Town Sanitary Inspector, Mr. B.K.Ranga Iyengar, on whom fell the brunt of making timely arrangements for every thing. Raghavendra Rao of Ajjampur deserves special mention among the Sheikdars. To all these and equally to all whose names have not been mentioned here for want of space, I am deeply obliged and highly indebted for their brotherly help to me.

30. I regret the length of this report, but as the spokesman of the Taluk I would fail in my duty, were I not to put down what the public have voluntarily and willingly done. It is needless to add, that I am

highly grateful to our kind and benevolent Deputy Commissioner, for the timely and exhaustive instructions, suggestions and orders, so lovingly given by him and the practical and amiable support of my Sub Division Officer, and but for the valuable encouragement I have had from my superior officers, I could not have carried out the little that I did, considering the short experience I have of this Taluk.

31. The enclosures to this report have been arranged and stitched separately marking out the references thereon, and are submitted along with this with a pherist thereto.

I beg &c.,

Sir,

I beg leave to submit a detail report, as --- follows: on the local celebrations observed in the Taluk in connection with the Coronation Durbar of Their Imperial Majesties at Delhi on the 12th December 1911.

2. On the receipt of instructions from the Distric Office on the subject, a meeting was convened and a committee called " the local celebration committee Mudgere " was formed with the following members comprising it.

(1) Amildar

(2) Sub-Division Officer, D. P. W.

(4) Mr. Govindaraja Moodliar

(5) Sheristedar

(6) Mr. Abdul Razak Sahib

(7) " Davood Sahib

(8) " Koya Sahib of Messrs. Volkart Bros.

(9) Head Master

(10) Mr. Khaji Sahib. &c, &c, &c, &c.

3. The committee noted with gratefulness the grant of Rs.80/- made by Government as noted in the - margin and decided to spplement the grant by raising subscriptions and carrying out the celebrations in a befitting manner.

mount sanctioned.by Government from Municipalities ---	40 -0-0
Amount sanctioned from the general budget and Muzrai. ----	40-0-0
Total	80-0-0

4. Accordingly a subscription list was ---

opened

opened and as a result Rs.213-13-0 were raised as shown in list A.

5. On the morning of the 12th December, the day of Corohation of Their Imperial Majesties at Delhi, Feeding and clothes were distributed to the poor; rations, as finally - decided by the committee at one seer of rice and 6 pies to each adult and at half a seer of rice and 3 pies to each - child were distributed, in the pendal erected near the Taluk Cutcherry, in the presence of the members and the number that received them were 200 adults and 100 boys and children The total quantity of rice distributed was 250 seers and the amount given was Rs.7-13-0.

Clothes to 30 poor women, 20 poor men and 12 children of all castes and creeds were distributed at a cost of Rs.24-8-0.

6. Durbar was held in the Pendal erected ~~on~~ for the purpose opposite to the Taluk Cutcherry at 12 in the noon and the Proclamation received in a sealed cover with Government Proceedings No. dated 7th December 1911 was read over by me to the audience present. Two rounds were fired by the --- Sepoys present and ~~present~~ arms were presented both by the Sepoys and the Police Squads. The Pamphlet on loyalty -- written by Mr.Apprameya Iyengar received from the District Office was read out by Schoolmaster Srinivasiah and a -- dialogue on the value of Education was enacted by the School boys. Camarese copies of Proclamation and the books were distributed among the educated audience. The School boys sung the National Anthem. The meeting was closed by the distribution of pan-supari. There were nearly 300 men -- assembled at the Durbar.

7. In the after-noon at about 3 P.M. sports for the School boys as well as for the Police took place. There --

were

were also wrestling and other games. The local ryots gave a performance of Suggi Kunitha. Prizes were distributed to the winners in the sports &c and sweet-meats were distributed to all school-going children as well as others in the - school premises.

The Head Master of the School supervised the above functions. There were 70 boys that took part in the sports and 120 children were given sweet-meats.

The men that had assembled during the Durbar sports &c roughly reckoned were about 500 in number.

In the evening at 7 P.M. all the Public Buildings were illuminated and fire-works too were ~~xxxxxxxxxxxxxxxx~~ displayed on a large scale. The towns-people had white washed their houses and had lighted in front of their ---- houses to show their joy and the procession of local Gods were taken out after these ~~xx~~ events.

Special prayers on behalf of Their Imperial Majesties were offered in the temples, Mosques in Mudgere and in the Church also under the supervision of Rev.Father J.Koehl (who took keen interest in all the functions of the day) in accordance with the directions given in ~~B~~ Government Proceedings No.867 Muzrai 172-11-2 dated the 20th October 1911.

Mudgere being in the heart of Malnad had no temple for worship and its want was keenly felt by all the ---- religiously inclined Hindu inhabiatnts of the place. It was under comtemplation for a long time to construct a ~~te~~ temple for Sri Venu Gopalaswamy the Diety of Protection among the Trinity of the Hindu Gods and subscription lists too had been opened from time to time. For some reason or other nothing was done practically towards ~~xxxxx~~ this object. This auspicious occasion was taken and the ---

Committee

Committee decided to start the building and commenced --- earnestly to collect subscription and see that foundation work started ~~xxxx~~ along with the Coronation events and in commemoration of the Coronation day.

Our popular Deputy Commissioner, Mr. K.R.Srinivasa Iyengar, was approached with a request that he should -- honor the occasion with laying the foundation Stone and he kindly consented to do so. The day fixed for it was the 9th December 1911 and the foundation Stone was laid by him amidst the acclamation of the public who were present on the occasion. Nearly Rs.90/- of the subscription were -- collected on the spot and the Deputy Commissioner too --- contributed a moiety towards his share. The work is fairly in progress and the foundation with a basement of two feet over it is complete. This temple work that was started in honor of the Coronation Day would be completed in about a month or two. A sum of Rs.800/- and odd has been raised towards it now and there is still a good sum to be collected.

In addition to the building of a temple of Sri - Venugopala Krishnaswami in Mudgere in honor of the Coronation Day the Committee decided to have a Town Hall built in Mudgere to go by the name of " Coronation Hall ". The need for such a building where the public could have their Reading Room and could conveneiently during their leisure hours was keenly felt and the public came forward to subscribe for it. A list was opened and a sum of Rs.400/- & odd was subscribed ~~for~~ towards it. The estimate of the cost of the building as prepared by the D. P. W. Sub-Division Officer came to over Rs.2000/- and the committee have deicded to approach the European and Native Planters and gentlemen to subscribe liberally and then take up the collection of the

amount

amount and starting the construction work. Some of the -- gentry have already come forward with liberal subscriptions and the work will be taken in hand as soon as the list --- comes up to the required sum. So far is the work done in the Taluk Head Quarters.

It is reported from all the Hoblis that the people of their own accord came forward and subscribed the needed sums in each place for feeding the poor, for sports wherever there were boys and for celebrating the day in a befitting manner. Special Pujas were performed in the evening a in all temples, mosques of fame in the t-a taluk and procession of Gods were taken out with illuminations &c in the - important temples and a special reading of the Blessings to Their Imperial Majesties were read out in all places of -- worship as directed by Government in their order quoted above.

Detail reports as to what was all done in each of the villages of the Hoblis have been received from the --- Sheikdars and a brief memo of it is prepared and enclosed to this report for favor of your kind perusal.

Deputy Commissioner.
Kadur District

From

The Deputy Amildar,

Yedehally Sub-Taluk.

To

The Deputy Commissioner,

Kadur District.

Respected Sir,

1. Introduction.

Adverting to Government order No.G.1769-824 /Gen.101-11-5 dated the 18th September 1911 regarding the local celebrations of Their Imperial Majesties' Coronation on the 12th instant, as also to orders - received from the Deputy Commissioner from time to time on the same subject, I beg to submit the following report on the celebrations of ~~xxi~~ this memorable event in the Yedehally Sub-Taluk on the 12th instant.

2. Grouping of the Celebrations.

For the purposes of my report I group the celebrations under two heads; Viz,

1. Celebrations in the Yedehally Town and
2. Celebrations in all the other villages of the Sub- Taluk.

3. Decorations of the Town.

The various functions that had to be gone through in the Yedehally Town on the 12th December 1911, were duly notified to the public on the previos day both by notices and by Beat of Tom - Tom and on the evening of the 11th inatant only the townsmen began to decorate their houses, and streets with festoons of mango - leaves and the dawn of the memorable day of the 12th instant broke upon the - whole town gaily decorated with festoons ~~of mango~~ ~~xxxxx~~ and arches of green foliage; every house,

every

every local officers' quarters and all the public - buildings were found decorated with festoons of Mango leaves. The streets were watered and the --- ornamental Rangole marks, running in all their --- Zig-Zag forms at the entrance door of many a Hindu House added to the comeliness of the decorations - and the whole town presented a lively and festive - appearance.

4. Programme of the Celebrations.

Statement No. I herein enclosed gives the details of the events arranged for the day.

5. Distribution of cloths to the Poor. 7 A.M. to 9 A.M.

3. " Bhavani Sastri
4. " Nadiga Bistappa

6. " Nadiga Kristnappa
7. " Pleader Sitharama Rao and
8. " Hindustani School Master.

The sounding of the bugle horn in - front of the Taluk Cutcherry at 7 A.M. -- announced to the public the commence ment of the proceedings of the day and the marginally noted gentlemen who were appoint -ed members of committee of judges for -- this item, met me at the Taluk Cutcherry precisely at 7 A.M. and began to distribute clothes to the poor. Hindus and Mahomedans males and females numbering 85 in all, were given cloths, and the distribution was - over by 9 A.M. I personally supervised -- the distribution and saw that the really - deserving poor were given cloths and all the recipients went with prayers on their lips for the long life and prosperity of - Their Imperial Majesties.

6. Special morning prayers and Pujas in temples &c 8 A.M. to 11 A.M.

While clothes were being distri- buted in the Taluk Cutcherry, the Archiks of the temple in the town as also the -- Khaji of the local Mosque were engaged in

their

their respective temples and mosque in their special Devine services. The Archiks of all the various temples bathed early in the morning and in their holy garb entered their respective temples at the appointed hour chanting holy verses and under the supervision of their respective Waivatdars, offered special Morning Abhishekams, and prayers to the Hindu dieties. The local Khaji and the Mahomedans of the place also assembled in the mosque and offered there, their special prayers and these special Devine sevices were held in all the temples &c., of the town noted below.-

7. Feeding of the Poor.
9 A.M. to 11 A.M.

As previously arranged sumptuous meals for the poor of the various communities were given in different centres of the town. The Brammins

were fed in Agrahar under the supervision of Messrs Sanukar Rayappa and Nadig Subbanna; the Vaisyas under the supervision of Mr.N.Chinnaiya Chetty, Forest Ranger, in his quarters; the lingayets were fed in Basavanna Devaru temple by Mr.Santappa Setti; the Jains in the Basti Mutt under Mr.Bhujabalappa Setty's supervision. The Namadhari Gowdas and all other classes of Hindus were fed in the Venkatapur Mutt under the supervision of Messrs.Venkate Gowda and Bistegowda, the leading Namadhari Gowdas of the place. The Mahomedans had their feeding in the Makkan. The Native Christians of the place were also not forgotten and special arrangements were made for their feeding in the house of the Kotwal of the Travellers' Bungalow. The Medars, Chaluvadies, and Baggar Holiyars were all given sumptuous food in their respective hatties. Mr.Sadasivam the Sub Assistant Surgeon of Yedahalli, fed all the scavengers of the town at his own expense. The feeding arrangements were most satisfactory and much credit is due to the exertions of the members of celebration Committee for the care and interest they took in planning the feeding arrangements. The following statement gives the number of persons fed on this memorable day and the names of the gentlemen who liberally undertook to bear the feeding expenses for their respective communities.

No	Names of Communities.	Places of feeding	No fed	No of gentlemen who fed at their own expenses.
1	Brahmins-	Nadig Subbanna's house	600	messrs Rayappa & Subbanna.
2	Lingayets-	Basavanna Temple	100	Mr Santappa Setty.
3	Mahamadans	Makkan	200	Mr Khaji Sab & Mogadum sheriff.
4	Chalavadies &c	In their places	125	
5	Scavengers-	- Do -	14	Mr Sadasivam.
6	Native christians	Kotwal's house	17	
7	Other Communities	Venkatapur Matt	284	
		Total	1,340	

Thus on the whole 1340 people were fed in various centres of the town. Except Medars, Chaluvadies, Holiyars and Native Christians, all other communities were fed at the expense of the gentlemen noted in column 4 of the statement above. The Medars were fed from private contributions raised among themselves supplemented by money grant given from Government contribution and the expenses for feeding Native Christians, Chaluvadies and Holiyars were incurred wholly from Government contribution. People began to collect in their respective centres at 9 A.M. and the feedings in all the centres were over by 11 A.M. and the public were ready to attend and partake in the remaining celebrations of the day, and what is more praiseworthy is that the Branmins, who are generally marked as being late in taking their Santarpane meals were on this memorable day, precise to the hour, in having their sumptuous preparations ready by 9 A.M. and had their Santarpane finished by 11 A.M.

8. Reading of the Royal Proclamation. 12 noon to 1.30 PM

The morning functions of the feeding and cloth distribution were over in time for the public to come over to the Taluk Cutcherry to hear the reading of the Royal Proclamation. The whole Taluk Cutcherry building was tastefully decorated with plantain and mango leaves and with flags and buntings. An arch of green foliage was put up in front of the building. A temporary Dias was put up on one side of the Court verandah which was also tastefully decorated for holding the Durbar. On this dias, were placed the portraits of Their Imperial Magesties in Coronation Robes as also the portrait of His Highness our beloved Maharaja and these were

profusely decorated with garlands of flowers. The approaches to the building were likewise decorated with flags and festoons. The "Union Jack" and "The Mysore Eagle" were hoisted high on the walls of the front entrance. All the local officers, School masters with their senior school boys and girls, the leading townsmen of all classes, merchants and land holders had been invited to attend the Durbar and long before the appointed hour the invited public began to assemble in the Durbar Hall and by 11.30 A.M. the whole building was filled with the invited public numbering about 1000. The long verandah which had been converted into a Durbar Hall was over crowded and all the side rooms were filled with the audience, all eagerly waiting to hear the Royal Proclamation. The local Police, in their full uniform, were drawn up in a line in front of "The Royal Flags" under the command of the Police Sub Inspector and at 12 noon precisely, I opened the proceedings by unveiling the portraits of Their Imperial Magesties amidst loud applause and after explaining to the audience the unique event of the great Coronation Durbar that was being held just at the very hour, by Their Imperial Magesties at Dehli, I broke open the seal of the cover received from the Government, containing the Royal Proclamation and announced that the Royal Proclamation would be read. Immediately the whole audience rose to their feet. I then read the Royal Proclamation in Kanarese, the whole audience standing. The Police then presented arms, and fired a "feu-de-joie". 350 spare copies of the Royal Proclamation also received in a sealed packet were then freely distributed to the audience. This being over, 150 copies of "Coronation Souvenir" containing

the portraits of Their Imperial Magestics and the National Anthem (printed at the Vakkaligar Sangha) which were opportunely offered by Sahukar Santappa Setty for distribution, were all distributed to the leading gentlemen, boys and girls present at the Durbar Hall. Addresses were then read in Kanarese and Sanscrit by the Head Master of the A.V.School and one of his Assistant Master giving expression to the profound loyalty of the public and their deep devotion to "The Imperial Throne" and to the "Royal House of Mysore" and dilating upon the manifold blessings which India in general and Mysore in particular have received from the hands of the Paramount Power. Copies of these addresses are herein enclosed for kind perusal. Then the Kanarese --- pamphlet about the benefits of the British Administration kindly sent by the Deputy Commissioner was read to the audience by the school master; this being over, spare copies of the pamphlet received, were distributed to the school boys, girls and others present at the Durbar. Then the girls sang Mangalam and the boys sang National Anthem. ~~Afterwards~~ After Pan supari and flowers were then distributed to all and the Durbar closed with three cheers for Their Imperial Magesties, The King Emperor and Queen Empress, and three more cheers for our beloved Maharaja which were loudly and enthusiastically responded to by the whole audience.

9. Coronation Memorials. 2.P.M.

After the close of the Durbar, Mr.Santappa Setty, the philonthropic sahukar of this town, who had offered to memorialize this most important --- historic event by constructing a "Chatram" for --- travellers under the name of "King George the V Coronation Chatram", led all the local officers and the important townsmen of the place to the site

selected for the same. A large crowd of people had already gathered at the spot to witness the ceremony of laying the foundation stone for this Memento. The local Vydika Brahmins surrounded the place selected for placing the corner stone of the foundation, where with all the Hindu ceremonials and benidictions the Brahmins chanting their sacred hymns and the native music playing, the ceremony of laying the foundation stone of this "Coronation Commemoration Choultry" was gone through. At the request of Mr. Santappa Setty, I laid the foundation stone and declared that the same was well and truly laid and the proceedings were closed with the distribution of flowers and pan supari to all present. Then a move was made to the Hospital Compound where a site had been previously selected for planting the --- "Coronation Tree". A sampige tree previously sent in by the Forest Department for the purpose was in commemoration of this auspicious and historic day, duly planted in the site selected, with usual ceremonies befitting the occasion.

10. Refreshments to the public.
2 P.M. to 2.30 P.M.

By the time the above functions were over, it was 2 P.M. Mr. Tarikere Srinivasa Rao, one of the members of the Coronation Celebration Committee, had arranged in his house for light refreshments to the public and at his request the party moved on to his house where refreshments, coffee and cool drinks, were served to the assembled parties and pansupari &c., were distributed.

11. Sports and entertainments to school children.
.30 to 6.30 P.M.

Then a move was made to the play ground behind the compound of the A.V.School. The school building, as also the whole play ground was tastefully decorated with festoons, flags and buntings. Both the Union Jack and the Mysore Royal Flag were

found playing at the top of the school and the boys and girls of all the schools at Yedahalli had --- assembled in the school premises and the sports began at 2.30 P.M. Before the commencement of the sports a small dialogue between two boys (Copy enclosed for kind perusal) took place in which the boys made a brief mention of the festivities of the day and gave expression to their deep loyalty to Their Imperial Magesties. 12. Illumination and Bonfire.
7 P.M. to 11 P.M.

After the close of the sports and distribution of sweets to the children on the 12th morning

evening, there was a big bonfire in the maidan previously selected for the purpose to the north-east corner of the Hospital compound under the Kasba Patel's supervision. This was a huge blaze of fire, rising high into the air, announcing to the whole town, the rejoicings of the day and in which a large crowd of people took delight. After visiting the bonfire, I went through the town with the committee members inspecting the illuminations. The whole town with all its bye lanes was fully illuminated. The Taluk Cutcherry and its approaches were illuminated. The Post Office, the Hospital, and all the schools were bright with illuminations and every house in the town had its illumination and there was one string of lights at uniform height on either side of the road throughout the one full length of the town and the illuminations every-where were very effective and bespoke the deep loyalty and devotion of the townsmen for the person and throne of Their Imperial Magesties and to the Royal house of Mysore.

13. Special evening prayers &c., in temples and mosques 8.P.M. to 9 P.M.

After visiting the illuminations, I went at the invitation of the waivatdars of all the temples to attend the special evening prayers offered for the long life and prosperity of Their Imperial Magesties. All the temples were decorated with festoons of mango leaves and stumps of plantain trees, and the premises of every temple shone with brilliant lights arranged in a line both in the temple special evening pujas, Deeparadhanas and Mangalaraties were offered and after Mangalaraties all stood with folded hands before the deity and the Archik solemnly pronounced his Holy Bene-

Benedictions for the long life and prosperity of Their Imperial Magesties in the following words of the Government Order No.897/Maz.172-11-2 dated 20th October 1911.

"సర్వశక్తనాగియూ పరమకారుణికనాగియూ ఇరువ భగవంతను ఇంపీరియల్ మేజస్టిగళాద ఇండియా - చక్రవర్తి - కింగ్ జార్జ్ V యవరిగూ మత్తు క్వీన్ మేరి యవరిగూ సదా ఇమ్మేలధికవాద ఆధిపత్యాభివృద్ధియన్నూ, పుత్ర, పౌత్ర, బంధు, మిత్ర, పరివారాదిగళ్ళ సత్కీర్తాభివృద్ధిగళన్నూ కొట్టు చిరకాల సంరక్షిసబేకెందు మనః మనః ప్రార్థిసుత్తేవే."

and the devine services in the Hindu temples were closed with the distribution of prasadams to all present.

In the Mahomedan Mosque at Yedahalli also special evening prayers were offered by the Mahomedans of the place. The Mosque was brilliantly lighted both inside and outside the building. A large number of Mahomedans had assembled inside the building. Prayers were offered and Fatia was distributed to all the persons present. I attended the mosque at the invitation of the Khaji and found the arrangements made there for the religious service satisfactory.

14. Display of fire-works.

After the evening Devine services were over, I proceeded with the committee members of the Taluk Cutcherry where there was already a good gathering to witness the display of fire-works, and the celebrations of the day came to a close with a fine display of fireworks followed by three cheers for Their Imperial Magesties and three more cheers for His Highness the Maharaja.

15. Close of the Celebrations in Yedahalli Town.

Thus ended the Coronation Celebrations in Yedahalli Town. The public were eagerly looking for it, for one full week and all ~~engaged~~ enjoyed the celebrations. There were general rejoicings every where. Statements No.2 and 3 herein enclosed give the names of the members of the"Coronation Celebration" Committee and the Sub-Committees appointed for the various functions of the day. All these members were unsparing in their efforts in bringing the various events of this unique day into a successful termination and all of them have my thanks for their lively co-operation in these universal rejoicings. I would also be failing in my duty, if before closing I fail to make special mention of the help rendered to me in this connection by my official friends, viz., Messrs. N.Chinnian Chetty, Forest Range Officer M.Sadasivam, the Sub Assistant Surgeon, and Puttanna Gowda, the D.P.W. Sub Overseer, Police Inspector Garudachar and the Head Master Mr.Mallappa Sastry. All these gentlemen had their hands in all the functions and cheerfully worked with me in getting through the events of the day. The zeal with which they worked for the successful termination of the events is commendable, and they have my sincere thanks for all the help they rendered me in carrying out the proceedings of the day.

16. Celebrations in other villages of the Sub Taluk.

I now beg to note in brief the celebrations in different villages of the Sub Taluk.

(a) As per instructions previously issued to him, the Balehonnur Sheikdar stopped at his head quarters on this memorable day and personally supervised the rejoicings of the day at Balehonnur. The whole village had been thoroughly cleaned on the previous day only. Every house was decorated according to

the fancies of the respective owners. The streets from the Travellers' Bangalow up to the Balehonnur Bridge was adorned with festoons of green foliage and there was a handsome pendal put in front of the Police Station. Early in the morning the Mahomedans of the place assembled in the local mosque (the only place of worship in Balehonnur) and offered special prayers for the long life and prosperity of Their Imperial Majesties. This being over all the villages and the leading merchants of the place as per invitations previously issued to them by the Hobli Shekdar, assembled at the big pendal put in front of the Police Station. The portrait of Their Imperial Majesties handsomely decorated with garlands of flowers was placed on a raised seat in one side of the pendal. The Balehonnur Jamedar had drawn up his men in a line at the end of the pendal opposite to the portraits of Their Imperial Majesties and the Shekdar opened the proceedings by explaining to the audience the object of the meeting and then read to them the Kanrasse pamphlet regarding the benefits of the British Administration which I had sent to him for the purpose. This being over the Police presented arms to the Imperial portraits. Paneupari and flowers were distributed to all present and the proceedings closed with three cheers for Their Imperial Majesties and three more cheers for His Highness the Maharaja of Mysore. In the evening every house in the village was illuminated. The Post Office and the Police Station were also illumunated and the proceedings of the day were terminated with special evening prayers offered in the local Mosque by the

Khaji and other Mahomedans of the place. About 400 persons took part in the proceedings.

(b). In Muttinakoppa also there were general rejoicings on this important day. This village is solely inhabited by Mahomedans. There is a Hindustani Hobli boys' School here. The Master of this School was previously sent for by me and was given personal instructions to supervise the celebrations in the village and I had also given him sweets for the distribution to the school children on the occasion. There is only one Mahomedan Mosque here. Early in the morning the Mahomedans of the place assembled in the Mosque and offered special morning prayers. After the prayers were over, ~~sports~~ sports were held for the school children by the master of the place and then all the boys of the school and the principal Mahomedans of the place met at the school building and the school master read to the Assembly the Kanrese pamphlet about the benefits of the British Administration and then distributed the sweets to all the 20 school children present on the occasion and terminated the proceedings by distributing pan supari and flowers to all present. In the evening also there were special prayers offered by the Mahmedans in the local Mosque. About 100 persons took part in the proceedings of the day. At Burge a hamlet of Muttinakoppa, about a mile from the village proper, there were rejocings. This village contains a small Hindu temple in which special morning and evening prayers were offered by the temple Archak for the long life and prosperity of Their Imperial Majesties and after the final ~~Mangalarthi~~ Mangalarthi was over the Archak pronounced his benedictions for the long

life and prosperity of Their Imperial Majesties in the words of the Government order No. 897/Muz. 172-11-2 dated 20th October 1911.

(c) In the villages of (1) Haledanivasa, (2) Balekoppa, (3) Nelagadde, (4) Halsur, (5) Seethur, (6) Ravoor, (7) Balehonnur Mutt, (8) Itige, (9) Haravari, and (10) Salur where there are village Hindu temples special morning and evening prayers were offered. After the morning prayers were over the Managers of the respective temples assembled the villagers before the temples, explained to them in Kannrese, the cause of the rejoicings of the day and read to them the Kanrase Pamphlet about the benefits of the British Administration which had been previously sent to them. In Balehinnur Matt although the Mutt Swamy was absent from the Mutt on the occasion, the devine service was done on a grand scale. The whole Mutt premises were reported as being tastefully decorated. In the evening there were grand illuminations and after the evening Mangalarthi in the Mutt temple was over the Archak with all the members of the Mutt stood before the deity with folded hands and pronounced benedictions to the long life and prosperity of Their Imperial Majesties in the words of the Government order above referred to. The Sampige plants which had been sent in by the Forest Department and which had been previously given to the Shekdars for distribution to these temples were all duly planted in front of the respective temples after the morning prayers and the reading of the pamphlet were over. The Coronation Memorial tree was also planted in Menasur village. in Singangadde Basti Matt, after the morning devine services were over, so that in all places where

it was possible in a malnad Sub Taluk like Yedehally Coronation Memorial trees were duly planted and the Patels of the respective villages have been instructed to nurse them up carefully so that they may serve as a lasting memento. The idea of planting Coronation memorial tree in other villages had been given up after due consultation with the members of the Committee as all the remaining villages are in the heart of the malnad and the houses being far away from each other mostly on the top of the fields and gardens.

(d). In (1) Hebbe, (2) Kusgal, (3) Vitala, (4) Mudabagal Narasipur, (5) Siragalale and (6) Alehalli where there are also Hindu temples, arrangements were made for holding special devine services both in the morning and evening on this memorable day and in the temples of every one of these villages special morning prayers were offered and in the evening every temple was adorned with illuminations and after the evening Mangalarthies were over, the Archaks of the respective temples offered benedictions for the long life and prosperity of Their Imperial Majesties.

(e) All the remaining villages of the Sub Taluk had their respective rejoicings, each village having its own celebrations suited to the locality and to the tastes of the villagers. To

C. S. Balasundaram Iyer Esquire, B.A.

Offg. Seceretary to the Government of Mysore,

General and Revenue Departments,

BANGALORE.

Sir,

In accordance with Government Proceedings No. G. 1769-824-G.M.-101-11-5 dated 18th ~~October~~ September 1911, I have the honor to submit the following report regarding the local celebrations held in this District in connection with the Imperial Durbar held at Delhi on the 12th December 1911.

2. At the Head Quarters of the District, in Shimoga Town, the day began with a salute of 101 "gurnals" and a police parade was held in the midan opposite ~~to~~ the District Office. After this was over there were prayers offerred up in all religious institutions, Hindu, Mohameden and Christian, for the welfare of Their Imperial Majesties. The special form of prayer prescribed

in

in Government Order No. 867-Muz.172-11-2 dated 20th October 1911, was distributed to all the temples and was adhered to in all particulars. Following close upon this, came the distribution of sweets to school children of all institutions public and private. Arrangements had been made for the proper distribution of sweets to boys and girls in their respective schools. About 1250 school children were given sweets and other eatables. Meanwhile the poor of all classes were given clothes, punches, blankets, sadis, coats etc. One pleasing feature about this function was that a list was prepared of poor children of various schools, and coats and trousers to fit them were stitched and given them. About 120 poor school -- boys came in for this charity.

3. The Town Hall, The Taluk Cutcherry, the various District Offices, the High School and other public buildings were gaily decorated with flags and buntings and the town bore a festive and annimated appearance. Special attention had been bestowed on the Town Hall premises and approaches and triumphal arches with appropriate mottos had been --- erected. The roads looked gay with bright coloured buntings on both sides. The Union Jack floated on a staff 50 feet high raised in front of the Town Hall. Union Jacks, festoons buntings and evergreens adorned the Town Hall in profusion

and

and a most attractive appearance was presented by the building both inside and outside.

4. In the Hall, on a decorated dais were exhibited portraits of Their Imperial Majesties and that of His Highnes The Maharaja of Mysore, decked with flower garlands set off very effectivily by a back ground of rich velvet hangings. The Royal Proclamation was read at 12 noon precisely, in the midst of the assembled gentlemen. The National Anthem was sung and salutes fired towards the closing of the Durbar. Large numbers of people who could not find room in the Town Hall and stood outside at the reading of the Proclamation, flocked in afterwards to look at the portraits and decorations inside and quite a stream of such men was kept up coming and going till the evening. Two Coronation Jack plants were planted opposite the Town Hall, the District Office and the Taluk Cutcherry. This being over, the poor of all classes were fed in various places in the Town on a very sumptuous scale. Prisoners in the Lock Up were released by the District Magistrate and the occasion and object of their release explained to them.

5. At 2.30 P.M. the sports for school children began in the High School compound and lasted till 5.30 or

6 P.M. The details are set forth in a full and interesting report given by the Head Master ~~copy of~~ which is appended to this.

6. This over, there was a further distribution of clothing to the poor, near the Town Hall, at which many poor and old people of the lower classes got clothing.

7. The Town was illuminated at 6.30 P.M. and the long lines of lights on each side of the main streets and roads looked particularly pretty and impressive. The Town & Hall in particular looked very grand and imposing with two Washington Lights (in addition to the ordinary illumination) . About 6000 people had collected to view the spectacle opposite the Town Hall, where, also, native music had been provided. There was a very splendid and varigated display of fireworks opposite the Town Hall, including many rockets, and ballons, closing up with a singularly effective arch with the motto " God save the Emperor and Empress", the characters shining with a silvery radiance as the arch was lit. At the close of this entertainment, the National Anthem was sung, all the European ladies and Gentlemen joining; and the crowd ~~dispe~~ dispersed, after three hearty cheers to

T eir

Their Imperial Majesties and Their Highness the Maharaja and & Yuvaraja.

8. My thanks are due to the members of the various Sub Committees for their loyal co-operation in making the function a success.

9. As required in para 13 of the Government Order full details of the celebration in other places in the District are submitted in a tabular form annexed hereto.

I have the honor to be,

Sir,

Your most obedient Servant,

Deputy Commissioner,

Shimoga District.

Much work was turned out on these two days, which contributed largely towards the success of the final events without disorder on the 12th instant. The Head masters and their assistant masters vied with each other to make the Sports a complete success.

The thanks of the Committee for Sports are specially due to our indefatigable Subordinate Judge Mr. B.S Krishnasamiengar B.A.B.L. who took a lively interest and had a lion's share in conducting the Sports on all the three days.

<u>or</u>

On the day of Durbar the High School premises put on a lively appearance. The whole place was fittingly decorated with flags and festoons. Many mottoes were put up on colored boards in prominent places. On the Verandah in front of the School building a platform was set up and over this a pendal was raised, tastefully decorated with artificial rose creepers, fruits, and tassels.

In the midst on a Sofa a large beautiful photo of their Imperial Majesties was set-up - On one side of the Sofa the photo of Their Highness was placed and on the other side a beautiful Doll, representing mother India and decently decorated

decorated as a Roman Lady was handing
respectfully, handing over India
with all her children to the kind care
of Their Imperial Majesties
The Scene and the original design of
the High School Headmaster were well
appreciated by all and especially by
European ladies and gentlemen. The
mottoes and the scene were so admirably
got-up as to infuse a right-sentiment
of loyalty into the minds of the
rising generation.

Exactly at 2.30 p.m on the
Durbar day the play grounds were
crowded with spectators and children
and the sports began at the right time
Order in the play ground was kept
up by a good arrangement of the police force
under

under the kind orders of the Superintendent

Almost all the European ladies and gentlemen, all the officers, the advocates, the merchants and other leading citizens of Shimoga were kindly present and took great delight in the events of the days. The whole programme was successfully gone through.

At 5.30 p.m. after all the events of the sports all the ladies and gentlemen took their seats in the open illuminated quadrangle of the School in front of the photos. The chair was occupied by Dr Humoza Hussain B.A.B.L our amiable District & Sessions Judge. After a short instructive speech dwelling on the benefits of the British rule the prizes were awarded to the winners.

Fifty students won prizes ranging from

Three Cheers from the Chair to Their Imperial majesties and to His Highness, the melodious National Anthem Sung by the Normal School Students, and the Thanks to the gentries from the headmaster brought the successful events to a close in the midst of universal joy and satisfaction. Thus with the kind help and proper instructions of our worthy Deputy Commissioner, Mr. K. Sreenivasa Rau, and his assistants an eventful entertainment was given to the School Children as Shimoga

SECTION G.M.

Serial No. 41

To

C. S. Balasundaram Iyer Esquire B. A.,
Officiating Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments,
B a n g a l o r e.

Sir,

Adverting to Government Proceedings No. G.1769-824/G.M. 101-11-5 dated the 18th September 1911, issuing instructions for the conduct of local celebrations in connection with the Coronation of Their Imperial Majesties King George V and Queen Mary, on the 12th December 1911 at Delhi, I have the honor to report that it was duly notified to the public as well as to the local bodies, that the unique, most solemn and auspicious event would come off on the said date, so as to enable them to make suitable arrangements befitting this memorable occasion.

2. Agreeably to the instructions contained in para 11 of the above Proceedings, the several municipalities in the District, alloted funds as detailed in the appended statement No. I, for the local celebrations of the Coronation festivities, and the Government were pleased to accord sanction to the same (vide Government Order No. 3710/Ml 131-11-2 dated the 15th November 1911). It may be noted here that some of the municipalities - chiefly of Chitaldroog, were willing to make grants more liberal than those of the previous occasions, in consideration of the fact that Their Imperial Majesties were, for the first time, crowned at Delhi; but their financial condition compelled them to limit the grant only to the extent of Rs 740 as noted in the enclosed statement No. I.

They however supplemented this grant by private and voluntary subscriptions amounting to Rs 1713 (vide for particulars statement No. I).

3. All public offices, Courts and Schools in the District, were closed from 7th to 12th December 1911 (both days inclusive) in honor of the auspicious event.

4. Necessary arrangements were made to celebrate the festivities at the Head Quarters of each Taluk, in addition to the general celebration at the Head Quarters of the District. It is also reported that the Executive Engineer at Marikanve observed similar festivities and public rejoicings at Marikanve.

5. In all places of worship -- both under Government management and private, special prayers as directed in Government Order No. 867/Muz 172-11-2 dated the 20th October 1911, were offered for the long life and prosperity of Their Imperial Majesties. All the Gods in the Towns were taken in procession in the evening, with Bajabajantrees, Kahales, Music etc, accompanied with illumination and fireworks. My thanks are due to the managers of the private institutions for their kind co-operation in carrying out the programme, along with Government Institutions.

6. Arrangements were made to feed and clothe all the poor people without restriction as to caste and creed. The Statement No. II appended hereto, gives full particulars as to the number of people fed and clothed at the several places in the District, from which it will be seen that nearly 23,000 were fed and 1,000 clothed. In addition to the feeding of the poor, several local gentlemen came forward and arranged at their own cost for the feeding of the moffusil members who had come to the Towns to witness the grand and unique ceremony. The number actually fed by this arrangement could not be definitely known, as almost all the gentlemen who took part in this function, appeared to have some sentimental objection to count the number thus fed, which may confidently be estimated at not less than ten thousand people. Besides the above arrangements, the leading members of some of the towns -- Molakalmuru, Hiriyur,

Hosadurga, and Davanagere, arranged for communal Samaradhanas (i,e, common feeding of all the people of their respective communities), the charges being met out of subscriptions both in kind and in money. It is gratifying to note that the rejoicings were universal and the people had hardly other engagements on the Coronation Day (12th December 1911). The inmates of the Panchama School at Chitaldroog were clothed by Murugha Rajendraswamy, as requested by the managing members thereof. The clothes were distributed in my presence .

7. The local Head Masters of the several Schools were entrusted with the arrangements for sports and entertainments to School children, the highest Revenue Officers on the spot exercising general supervision. Prizes were awarded by the said officers to the winners, in the presence of all the people assembled, in the several sports. Sweets were distributed to all the School boys. In some places including Chitaldrug, the School children went through the town in procession.

8. A formal Durbar was held at the District Head Quarters. At 12 noon on the 12th December 1911, the Royal Proclamation was read in Durbar at the District and all Taluk Head Quarters. "Feu de jois" was then fired by the Police who were stationed outside the Halls for presenting ~~the~~ arms. The National Anthem was sung by School boys and girls, cheers were given by all the members present in honor of the Coronation of Their Imperial Majesties. Garlends of flowers, pan supari and scents were then distributed among those present.

9. All public offices, especially the Town Hall at Chitaldrug at the Head Quarters of the District, and Taluk offices, were tastefully decorated with flags, buntings and festoons with ever-greens. The officers entrusted with this work spared no pains to make the buildings look as gay as possible. The Photos of Their Imperial Majesties in Their Coronation dress, were hung conspicuously in the Durbar Hall with a beautiful garland of flowers specially made for the purpose. In the evening all the public offices were illuminated and fireworks displayed. Kitson's Lights and Prismatic Coronation Lamps which had been purchased for the purpose, were used in the Town Hall at Chitaldrug. The Photos of the King and Queen were taken through the main streets of Chitaldroog in a grand procession.

10. The statement No. I appended hereto, shews the details of receipts and expenditure at the several centres in the District wherein Coronation festivities were celebrated.

11. Details of local festivities observed in each Town together with the names of the members of each docal committee, are given in the enclosed statement No. III. Other particulars called for in para 13 of the Government Order under reference are furnished in statement No. II.

12. To commemorate this auspicious event (1) foundation was laid for the opening of a Chatram at Hosadurga; (2) a caste Girls' School was opened at Davanagere; (3) Tenniscourts were opened at Holalkere and Hiriyur and (4) an amicable settlement was brought about between the Hindus and Mahamedans at Molakalmuru who were at loggerheads for over 3 or 4 years. A detailed report separately sent up to Government on this subject, fully explains the facts of the case.

13. In accordance with the instructions contained in para 4 of the Government Order No. J.1572-83/Pris 21-11-16 dated 17th November 1911, one prisoner was released by me from the District Lock-Up at Chitaldroog and one by the Sub-Division Officer from the Taluk Lock-Up at Davanagere. There was no prisoner with sentence of one month and under, in any of the Lock-Ups in the District to whom remission of sentence could be granted. There was but one prisoner in the District Lock-Up on 12th December 1911 with sentence of more than one month whose case was reported to the Inspector General of Prisons for remission under the rules. As this prisoner had been previously convicted in a British Court, he has been since resurrendered to the British Authorities as per section 11 of the Indian Extradition Act.

14. Before concluding my report, I must acknowledge with thanks the hearty cooperation given, and keen interest evinced by the official and non-official gentlemen of Chitaldroog and

and throughout the District.

I have the honor to be,

S I R,

Your most obedient servant,

Deputy Commissioner,

Chitaldroog District.

Sir,

With reference to para 13 of Government Proceedings No. G.1769-824/G.M.101-11-5 dated 18th. September 1911, requesting the submission of a report regarding the local celebrations of the most auspicious event of the Imperial Durbar held at Delhi on the 12th. December 1911, I have the honor to state as follows :-

1. In the middle of October 1911 needful instructions were issued in detail to all the Amildars and the Deputy Amildar of the District, for making suitable arrangements in time, in consultation with the leading towns people, for the celebration of the historic occasion in a befitting manner.

2. With a view to concert suitable measures in the District Head Quarter Town of Hassan, I convened a general public meeting in which many Official and non-Official gentlemen of the town were present. After explaining the object of the meeting, the various items of the public rejoicings which had to be observed on the 12th. December 1911, as detailed in the Government Order, were discussed, and it was unanimously resolved that it was necessary to invite voluntary subscriptions from the gentlemen of the town to supplement the funds sanctioned by Government for meeting the cost of the

celebrations

celebrations of this most auspicious event.

3. A strong representative committee was formed at the meeting, consisting of both official and non-official members; and out of this general committee an Executive Committee was selected. The latter held meetings, discussed and decided upon the necessary arrangements, and also drew up a programme of events. Thereupon, Sub Committees were also formed to supervise and manage satisfactorily the several items of the programme.

4. The names of the members of the General, the Executive and the several Sub Committees are shown in the appended statement. They cheerfully and unremittingly worked together and carried out all the events so successfully as to win the unbounded applause of the public of Hassan.

5. Not being content merely with the rejoicings provided for the occasion, it was considered that the Royal visit of Their Imperial Majesties King Emperor George V and Queen Empress Mary, an event unprecedented in the History of India, should be so befittingly commemorated as to be a lasting monument of the loyalty and devotion of the people of the District With this noble object in view, a large meeting was called at District Head-Quarters, and with the unanimous opinion of those present, a resolution was passed to the effect that a suitable building to be called "the King George Coronation Institute", be erected in the vicinity of the Queen Victoria Jubilee Hall at Hassan in commemoration of the Imperial Durbar at Delhi. It was further resolved that the foundation stone of this Institute should be laid on the most auspicious day of the Coronation Durbar at Delhi. The building was proposed to be erected with the aid of ~~the~~ voluntary public subscriptions a portion of which was contri--buted at the meeting.

6. It may be here mentioned that in many other places in the District as shown in the appended statement, some individuals and the people in general, came forward with eagerness

and

and enthusiasm to commemorate the most unique and memorable event by undertaking to construct buildings, such as public Halls, Chattrams, Reading Rooms, and laying out of Parks, so that the happiest occasion of the Royal visit to India may ever be green in the District.

7. The programme of events at Hassan began on the day fixed for the State Entry of Their Imperial Majesties into Delhi, viz, on the 7th December 1911, when a garden party was arranged for in the large compound of the Deputy Commissioner's bungalow, which was tastefully decorated with flags and --- festoons. All the official and non-official gentlemen of the town as well as some ladies were invited to the fete. Games and several interesting events requiring the application of physical and intellectual powers had been specially arranged for on the occasion, of which the most appropriate may be mentioned here. The words "Delhi Durbar" were written on a black board, and the ladies and gentlemen present were invited to compose a suitable significant telegraphic message, so that the initial letter of the first and subsequent words of the message should be the first and subsequent letters of the two words. While some were deeply engaged with this --- competition, others were engaged in games and amusements provided for their entertainment. The prize for the best message composed as described above was awarded to Mr. C. Nanjundaiya B.A., Assistant Master of the Hassan High School, who very cleverly composed an amusing message worded as follows:- " Don't enter large hotels in Delhi until Rai Bahadur Ananthasami recommends ". The function of the happy evening was concluded with three hearty cheers for Their Imperial Majesties King George and Queen Mary, and with three more for His Highness the Maharaja of Mysore,

8. The interval between the 7th and 12th December was devoted to Tennis and Foot Ball tournments and a Cricket match. The preliminary heats of the several events in the sports intended for the School children and others were -- commenced on the morning of the 11th December, and the final heats were reserved for the 12th idem when they were run off

in the presence of a very large concourse of people who actually streamed into the town to witness the rejoicings on the well known occasion.

9. The Jubilee Hall at Hassan was prepared for the formal Durbar for the purpose of reading the Royal Proclamatio on the 12th December. The Hall was carefully decorated, suited to the dignity of the occasion. Flags, buntings and evergreen festoons adorned the interior of the Hall. Two large-sized framed photographs of Their Imperial Majesties King George V and Queen Mary were conspicuously placed on the front wall of the Hall facing the entrance so as to impress Their Royal grace on the minds of those entering the Durbar Hall. Facing these magistic photos, was a large framed photo of His Highness the Maharaja, Sri Krishnaraja Wadyar Bahadur, clad in the Robes and Insignia of the G.C.S.I. With such and other elegant decorations from the hands of those zealously interested, the Hall presented a stately appearance invoking the noblest and purest feelings of loyalty and devotion in the hearts of those who had the fortune to witness the Durbar and hear the Royal Proclamation read in a Hall which had been erected in Hassan, many years ago out of public subscriptions to commemo--rate the Jubilee of the late Her most Gracious Majesty Queen Victoria Empress of India whose memory is held so sacred by all. A pandal was erected in front of the Hall and ad--joining its front entrance, to afford extra accommodation for the boys and girls of the several Schools of the town.

10. The Town though evacuated partly, was no less busy in putting on a gala appearance. Thoranams and flags, here and there floated in the air, and all the temples were specially decorated for the occasion.

11. The programme of the eventful day, viz, the 12th. December 1911, opened with a solemn prayer for the long life and prosperity of Their Imperial Majesties King George V and Queen Mary, at 8 A.M. in the Wesleyan Mission Church at Hassan, and a stirring sermon was eloquently preached by the Revd. H. Spencer on the elements of loyalty to the Sovereign,

12. The next event on the programme was Feeding and Clothing the poor, the aged and decrepit. Owing to the fact that the town was not entirely free from plague, it was unani-mously agreed that distribution of rations should be adopted instead of cooked food. The number of persons to whom rations were distributed and the number of the poor who were clothed on the day at the District Head Quarters and at other places in the District are shown in the appended statement.

13. In consultation with the Authorities of the several Schools, needful arrangements were made to distribute sweets to the boys and girls of all the schools in the town.

14. In response to the invitations issued, European and In-dian gentlemen and ladies assembled in the Jubilee Hall, on the 12th. December 1911, sometime earlier than the hour appointed for reading the Royal Proclamation. On arrival at the hall, Mrs. Wetherall and myself were received by the Honorary Secretaries and members of the Executive Com-mittee and other gentlemen, and shortly afterwards the sound of horns and the strains of the National Anthem play-ed by the bandsmen, announced the opening of the formal Durbar. Precisely at 12 noon, I opened the sealed cover con-taining the English copy of the Royal Proclamation which I read out, while the audience stood listening with wrapped attention. The Proclamation in Kanarese was then read out by Mr. M. Sreenivasa Moorty, Treasury Assistant Commissioner, at the close of which the bandsmen again played the National Anthem and the Police drawn up in line presented arms. The packets containing the spare printed copies of the Royal Proclamation were opened and the same distributed amongthe audience. A large number of Coronation Medals were also distributed and these were greatly prized by the recipients as a memento of the great occasion. Attar and pan-supari were finally dis-tributed among the ladies and gentlemen present, and three hearty cheers for Their Most Gracious Imperial Majesties King George V and Queen Mary, and three more for His Highness the Maharaja of Mysore were given, and the Durbar was brought to

a close.

15. There were nearly three hundred people assembled in the Hall on this occation, and a very large number of people had gathered outside the Hall.

16. At 2 O'clock in the afternoon many interesting events in the Programme of sports for School boys, Police-men and the Barr Sepoys were held in the spacious compound of the Jubilee Hall. High-jump, Long-jump, Hurdle-Race, Flat Race, Sack-Race, Cross-country Race, Field service marching order, Tug of War, Stone-and-Bucket Race, and Bicycle-slow-Race, formed some of the chief items of the sports. There were nearly 1,000 School children including boys and girls of the various Schools present on the field, many of whom took part in the sports.

17. Light refreshments were provided for school children and others in the wings of the Jubilee Hall during the sports.

18. As evening approached a group photo of the ladies and gentlemen present was taken by a local amateur Photo--grapher.

19 At the request of the Committee, the happy ceremony of laying the foundation stone of the "King George Coronation Institute" was performed by Mrs. Wetherall. A small but suitable pendal with flags and festoons had been erected on the selected site, and photographs of the King Emperor and of His Highness the Maharaja of Mysore, were placed in prominent positions. A few words suitable to the inauguration of the Coronation Institute were addressed in English and in Kana--rese. Amidst the happiest and loudest cheeres, the founda--tion stone was carefully lowered and was well and truely laid by Mrs. Wetherall.

20. Thereafter, there was another gathering in the Jubilee Hall for the distribution of prizes to winners of the several events in the sports. In compliance with the request of the Committee, Mrs. Wetherall performed the pleasing

function

function to witness which the Hall was completely crowded. Powerful Washington lights shone brilliantly within the Hall while the outside was well illuminated. Soon after the close of the distribution of prizes, opportunity was afforded to the Pandits and Moulvies to read their addresses which they had aptly composed relating to one of the most prominent events in the History of India. There were altogether 6 such addres-es, 2 in Sanscrit, 3 in Hindustani and 1 in Kanarese.

21. Some of the girls of the Vani-Vilas girls' School of Hassan, sang pretty songs in praise of Their Imperial Majesties.

22. Two more girls from the same school held a dialogue discourse concerning the Coronation Durbar at Delhi. It was so very appropriate and exquisitely impressive as to charm one and all in the Hall. They spoke in a calm and dignified manner eulogizing the noblest qualities of Their Imperial Majesties and their warm love and heartfelt sympathy towards the welfare of their Loyal Indian subjects. All the girls in one voice invoked the All Merciful Providence that He may shower His choicest blessings on Their Imperial Majesties King George V and Queen Mary granting Them long life and unbounded prosperity.

23 I then addressed the members of the Committee, the ladies and gentlemen present, thanking them for their support and co-operation in the day's rejoicings which had now been brought to a close; and the proceedings of the evening were terminated with hearty cheers for Their Imperial Majesties and His Highness the Maharaja.

24. The important parts of the Town and the Public Offices were well illuminated in the evening, and there was a splendid display of fire-works, most creditably prepared by a fire-work manufacturer of the Town named Khasim Sab. On the top of the hill, known as "Seegedagudda", which is within view from the Town, a large bon-fire was arranged.

25. In all places of worship under the Muzrai management,

management, arrangements were made to offer special prayers with necessary abhishekams, utsavams etc, ceremonies befitting the auspicious occasion for the long life and prosperity of Their Imperial Majesties. Similarly, with the co-operation of the managers of the temples etc. not under Muzrai management, special prayers and worship were offered in those Institu--tions.

26. The appended statement shows the total receipts and expenditure connected with the local celebrations in the several Taluks and at District Head-Quarters.

27 The accompanying reports received in this con--nection from the several Amildars and the Deputy Amildar go to show that the unique occasion was celebrated in a befitting manner throughout the District, with the hearty co-operation of the people, who did all they could to show their deep loyal-ty and sincere devotion to Their Imperial Majesties King George V and Queen Mary and to His Highness the Maharaja.

28 The particulars on the several points called for in para 13 of the Government Proceedings, in question, are furnished in the appended statements.

29. In conclusion, I beg to state that the celebrations and rejoicings of the occasion were as unprecedented as the occasion itself. The keen interest and enthusiasm evinced by the people on this unique occasion, has been preeminently manifested. Several have voluntarily come forward to under--take the erection of suitable buildings, sinking of wells, and laying out of parks, for the use of the public, as an en--during evidence of their deep loyalty, in commemoration of the singular occasion of the Imperial Coronation Durbar at Delhi, held on the 12th. December 1911 by Their Most Gracious Imperial Majesties King George V and Queen Mary.

30. Owing to the very late receipt of the report of the Deputy Amildar of Alur, (whose explanation has been

called

called for), it is regretted that this report was not earlier submitted.

I have the honor to be,

Sir,

THOUGHTS FOR CORONATION DAY IN INDIA

AN ADDRESS

DELIVERED BY

GRAHAM ANDERSON, C.I.E.

at a Coronation Durbar at Saklaspur,

ON

12th DECEMBER, 1911.

Mysore:
PRINTED AT THE WESLEYAN MISSION PRESS,
1911.

THOUGHTS FOR CORONATION DAY IN INDIA.

The Object and Significance of the Royal Visit to India.

The following is the full text of the address delivered by Mr. Graham Anderson, C.I.E., at the Coronation Durbar, held at Saklaspur, Hassan District, in the Travellers' Bungalow, on Tuesday the 12th of December, 1911.

Amidst the solemnities and rejoicings of this day it is only natural that our minds should be crowded with thoughts relative to the object and significance of the magnificent ceremonial which is being held at Delhi. Our first thought is to say, God save the King and Queen, to give heart-felt expression to our loyalty and devotion to Their Imperial Majesties the King-Emperor and Queen-Empress on this great and auspicious occasion.

We desire to associate ourselves with the cordial welcome accorded to Their Majesties and with the general thanksgiving for the distinguished and unprecedented

honour which Their Majesties have most graciously seen fit to confer on the Princes and Peoples of India by coming from the dear Homeland in accordance with the following gracious announcement from the Throne made on the 6th February, 1911 :—

"It is My intention when the solemnity of My Coronation has been celebrated to re-visit My Indian Dominions and there to hold an assemblage in order to make known in person to My subjects My succession to the Imperial Crown of India."

No words that can be uttered could give a clearer general conception of the significance of the epoch-making event which is being celebrated in this vast country to-day than the following extracts from the *London Times* of the 13th October, and from the addresses presented by the Bombay Corporation and by the Presidency of Madras, so we cannot do better than briefly consider them.

"Hitherto, indeed, the Royal Family has, in the nature of things, lived mainly for the British Isles; but the time has come when we shall share its presence more and more with the Sister Nations beneath the flag. That way, and not the way of divided Kingdoms, lies the true Imperial ideal.

"For just as some European nations of diverse origin have come to recognize in their Sovereigns the surest symbols of the national unity, so we in the British Empire have grown to recognise the Crown as the one unchanging token of the common ideal which all our diverse systems enshrine. No Sovereign has shown such a clear grasp of this conception as King George, for he has travelled from end to end of his Empire as few of his subjects have done and he has intimated his intention, as soon as opportunity permits, of revisiting his great Dominions as King.

For the Throne we have reverence and devotion and for the Sovereign the intimate regard which goes out to those of our own household.

"We recognize that the Sovereign is the strong bond of union between the Mother-country and the Oversea Dominions. In the King is the force of tradition, the embodiment of Empire; the significance of British Institutions."

The Bombay Corporation has addressed Their Imperial Majesties as follows:—

"The event is unprecedented in the annals not merely of India, but of the world-wide Empire over which Your Majesties hold sway. Never before have the

rulers left the centre of the Empire to visit Their Dominions beyond the seas.

"We recognize the significance of Your advent, we realize that Your determination to announce Your Coronation in person to Your Indian Peoples is a proclamation to the world of the great position which India holds in the Empire and in the sympathies of the Royal House, and a demonstration that the Crown is a living bond uniting many different races in varying climes under the flag which stands for ideals of justice, righteousness and progress."

To these eloquent words the Madras Presidency adds its heart-felt sentiments as follows:—

"Of the many signal proofs of regard for India given by Your Majesties, none, we venture to say, has more deeply impressed the inhabitants than the unprecedented favour of Your Majesties' presence among them.

"It is our earnest hope that by the blessing of Almighty God, Your Majesties may long be spared to rule over this great country for the prosperity of which Your Majesties' illustrious predecessors, our venerated Queen-Empress Victoria and our beloved King-Emperor Edward VII and the Queen-Empress Alexandra, have ever shown most gracious and sympathetic concern."

Now let us recall to our minds the glorious words in which Imperial encouragement has been conveyed. Her Most Gracious Majesty Queen Victoria in the Royal Proclamation gave India in 1858 its Magna Charta, which Lord Curzon said is "the golden guide to our conduct and aspirations."

"We are Ourselves bound to the Natives of Our Indian territories by the same obligations of duty as bind Us to Our other subjects and those obligations by the blessing of Almighty God, We will faithfully and conscientiously fulfil.

"It is Our earnest desire to stimulate the peaceful industry of India, to promote works of public utility and improvement and to administer its Government for the benefit of all Our subjects resident therein.

"In their prosperity will be Our strength; in their contentment Our security, and in their gratitude Our best reward."

Our beloved King Edward most graciously confirmed these memorable promises as follows:—

"The welfare of India was one of the objects dearest to the heart of Queen Victoria.

"By Me, ever since my visit in 1875, the interests of India, its Princes and People have been watched with an affectionate solicitude that time cannot weaken.

"My dear Son, the Prince of Wales, and the Princess of Wales returned from their sojourn among you with warm attachment to your land and a true and earnest interest in its well-being and content.

"These sincere feelings of active sympathy and hope for India on the part of My Royal House and Line only represent and they most truly represent the deep united will and purpose of the people of this Kingdom.

"May Divine protection and favour strengthen the wisdom and mutual good-will that are needed for the achievement of a task as glorious as was ever committed to any State of recorded time."

In regard to these momentous declarations His Imperial Majesty King George has graciously seen fit to make the following memorable pronouncements.:—

Firstly: In His Majesty's message of the 8th May, 1910, to Lord Minto:—

"The prosperity and happiness of My Indian Empire will always be to Me of the highest interest and

concern, as they were to the late King-Emperor and Queen-Empress before him."

Secondly: In the message to the Indian Peoples dated the 23rd May, 1910:—

"Queen Victoria of revered memory addressed Her Indian Subjects and the heads of Feudatory States when She assumed the direct Government in 1858, and Her August Son, My Father, of honoured and beloved name, commemorated the same notable event in His address to you fifty years later. These are the charters of the noble and benignant spirit of Imperial rule and by that spirit in all My time to come I will faithfully abide."

Thirdly: In His Majesty's letter dated 29th June, 1911:—

"Believing that this generous and outspoken sympathy with the Queen and Myself is under God Our surest source of strength, I am encouraged to go forward with renewed hope.

"Whatever perplexities or difficulties may lie before Me and My people, we shall all unite in facing them resolutely, calmly and with public spirit, confident that, under Divine guidance, the ultimate outcome will be to the common good."

We desire to confirm the proceedings of the meeting which was held here on Coronation Day and to join in paying a humble and most sincere tribute of profound gratitude for the gracious promises vouchsafed to all subjects of the Crown, and specially for the loving words contained in Her Imperial Majesty Queen Alexandra's letter to the people of the Empire, which we had the honour to peruse on that occasion and which we could not fail to recognize could only have been written by one whose heart is full of sympathy and affection and who has implicit faith in the efficacy of mutual good-will.

Years ago, when Her Majesty was about to arrive in England, the Poet Laureate in the name of the British Nation welcomed her as follows :—

> "O joy of the people and joy to the Throne
> Come to us, love us and make us your own."

Her Majesty, whose life has been one unbroken record of love, charity and devotion which has more than amply fulfilled the prayer of her people, now, with the warmth of a Mother's heart, virtually responds to Lord Tennyson's words by saying to each one throughout the Empire :—

> I give you My Son, the Heir to the Throne,
> Love him and trust him and make him your own.

This, indeed, is a sacred trust which every subject of the Crown will be supremely proud of having reposed in him and will loyally enshrine in his heart with the deepest gratitude.

Although only a small community, we are second to none in sincerely rejoicing in the belief that the watchword of King George's reign will be sympathy, that great harmonizing power of fellow feeling which, far from being in any way repugnant to the most sensitive mind, is essentially necessary to maintain unity, peace and concord among all classes irrespective of race or creed. When we contemplate that the lead and example will be given by one whose sceptre represents the might, majesty and dominion of the Empire, we can readily recognize what the far-reaching effect of such a benign influence will be.

Nothing could possibly be more helpful to all who have duties to perform to their Sovereign, their neighbour or those in authority, than an abiding consciousness of mutual responsibility and a true appreciation of the benefits which result from mutual respect and co-operation which invariably lead on to what Addison styles "Mutual offices of compassion, benevolence and humanity."

Let all the above recollections of the past and the gracious promises for the future be cherished by one and all of us and may they be an inspiration to lead us and constantly keep us in the path of duty to our beloved Sovereign, the Empire and our fellow subjects of the Crown.

Report on the local celebrations in the Stola-Nausipur Taluk in connection with the Imperial Durbar held at Delhi on the 12th December 1911.

—

I took charge of the Stola-Nausipur Taluk on the 1st December 1911. On looking into the records I found that no meeting whatsoever had been held regarding the local celebration in connection with the Imperial Durbar. A meeting was convened on the 3rd December 1911 and as I was absent in Hassan on the 4th, it was continued on the 5th idem also. The proceedings of that meeting are enclosed for perusal.

2. A sum of Rs 100/- was allotted from the Stola-Nausipur Municipal for the local celebrations and an additional amount of Rs 80/- was allotted to this Taluk from the State funds for the same purpose, besides Rs 6/- for celebrations in the several charity institutions — vide endorsement No. 11463-73-L.7. dated the 14th November 1911 and circular order No. 88 dated 27.10.10. The amount raised by voluntary subscriptions came to Rs 110. Thus the total funds available for the purpose was Rs 296/-. A statement showing the receipts and expenditure is appended for reference.

3. To celebrate this unique, most solemn and auspicious event in all places, detailed instructions on the lines of Circular order No. 88 dated 27.10.10. were issued to the Sheristadars.

4. The General Committee appointed for the local celebrations drew up a programme to be gone through on the 12th December 1911 and according to that programme every thing was most successfully carried out. On the bunder piece of ground

Town-Hall, a beautiful octagonal ever-green pandal with a dome, was erected. The whole ground was decorated with ever-green poles, flags, festoons and bunting. A splendid archway was put up in the entrance and the whole place looked very grand and merry. A second big green pandal with an archway was erected in front of the Anglo-Vernacular School and the whole school compound was decorated with green poles, flags and festoons. The verandah of the school was tastefully decorated by the Headmaster and his staff. The Municipal Court Hall which was fixed for the purpose of reading the Proclamation was splendidly decorated by the Police Inspector and his staff. The Union Jack was flying on the roof and the frontage and the circular open ground were all very ornamentally got up for the occasion. All other Government buildings were also decorated.

5. On account of plague the town had almost been evacuated and people were living in different parts in sheds at a long distance from the town. Outsiders were afraid to go to the town. But yet the memorable day, 12th December 1911, began in Stola-worship for him with the offering of prayers in mosques and temples. People began to flock in from early morning. The Amildar with the Vaidik Brahmins, municipal Councillors and other respectable people attended all the temples in the town and saw that prayers ~~were offered~~ in accordance with the instructions contained in G.O. No. 867 - Muz 172-11-2 dated 20.10.11, were offered for the long life and prosperity of their Imperial majesties King George V and Queen Mary. There was a procession accompanied by native music and band

[illegible] drums, Rama drums, and

6. After a brief interval people began to muster strong in the hall of the municipal Council, many ladies also graced the occasion with their presence. The hall was overcrowded and many had to find accommodation in the verandah and side rooms. Government servants, municipal Councillors, respectable merchants and leading men of all castes and creeds as well as students were present. In the centre of the hall on the dais was placed the beautifully decorated picture of Their Imperial Majesties in Coronation robes. Outside, the Bar sepoys and the Police formed the guard of honour. Exactly as the clock struck 12 the sealed cover received from the Secretariat was opened and to the whole assembly standing the Royal Proclamation in Kanarese was read by the Amildar. Spare copies of the same were then distributed. The Bar Sepoys and the Police fired 101 guns in honour of the occasion. The band was playing all the while. Attar, flowers and pansupari were then distributed. Three cheers were proposed to Their Imperial Majesties and to Their Highnesses the Maharaja and the Yuvaraj. These were vociferously responded to.

7. The decorated picture of Their Imperial Majesties was then placed in a palanquin and was taken in procession with bands and colours. The whole assemblage as well as the Police and the Bar Sepoys walked in front of the procession. It first went to the octagonal evergreen pandal erected on the site for building the Town Hall. The palanquin was placed on a high ~~dais~~ platform specially erected for the purpose. Mr. Ramanna pleader, in a few chosen words requested the Amildar to lay the

done accordingly. Attar, pan and flowers were distributed in front of the market to the poor of all classes. Each recipient in addition was given half anna in cash. The town being plague affected the idea of feeding had to be given up as people lived in sheds. But the gentry of the place observed festivities in their houses and invited their friends for dinner.

8. The procession then went through the Bazaar street which was tastefully decorated with Shamianas of all sorts. In spite of the houses having been evacuated the frontage was whitened and Bangarwalli had been freely used. The few shops that still remained had been profusely decorated with pictures. The palanquin was finally taken to the A.V. School where also on a special dais well decorated, the picture of their Imperial majesties was placed.

9. Then began the finals of the different items of sports to boys and girls. There were a few wrestling matches and pony races. The gentry adjourned to tiffin which was provided in the municipal Court to persons of all castes. Sweets and fruits were distributed to school children including the Panchama school boys. All people then collected in the maidan and the Chairman distributed prizes to the winners in the sports amidst hand clap. The prizes consisted of Coronation silk handkerchiefs, Coronation knives, coronation medals and souvenirs and other toys.

10. By this time darkness began to set in. The municipal Court, the Taluk Cutchery and the A.V. School and its compound were all beautifully illuminated with candle lanterns and other lights. The bazaar street as also the several places of worship were illuminated. The bazaar

FROM

DEPUTY COMMISSIONER, MYSORE DISTRICT.

To

C.S.Balasundram Iyer Esq., B.A.
SECRETARY TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

SIR,

As called for in para 13 of Govt.Pro. No.G1769 -824 G.M.101-11-5 dated 18.9.11, I have the honor to submit herewith the following report regarding the celebrations in this District excluding the Mysore City in connection with the Imperial Durbar held at Delhi on the 12th December 1911.

2. As soon as the above order was received, circular orders were issued to all Amildars for notifying this most auspicious event to the public at large to enable them to make necessary arrangements for public rejoicings on so memorable an occasion. They were directed to hold meetings and to form local committees for the management of the celebrations and to submit periodical progress reports in the matter. Meetings were accordingly convened at all Taluk Head quarters to concert measures for the celebration of this unique event and local committees were formed to supervise the several items of the event. The following is the programme of events which were more or less common to all Taluks.

1. Divine services in Temples, Mosques and Churches
2. Sports to school children and distribution of sweets to them
3. Feeding and clothing the poor.
4. Holding the Durbar and reading the Proclamation.
5. General sports and distribution of prizes to winners

6. Fire works, bon-fires and General illuminations

7. God's processions, Mah-mangalarati and prayer in the Temples.

3. The grant from Provincial, Municipal and Muzrai Funds was largely supplemented by voluntary public subscriptions; and the reports received from Amildars shew that this event was celebrated in several places, outside Taluk Head quarters also by people themselves by raising subscriptions.

4. The advent of 12th day of December 1911 was eagerly looked forward to by all classes of people and this memorable day was welcomed as an occasion for public rejoicings; and this solemn and great event was celebrated throughout this District in the most befitting manner.

It is reported that all the towns were tastefully decorated with buntings, flags, toranams and that houses were kept clean and tidy and were neatly whitewashed, putting up toranams and buntings as a mark of public rejoicing.

5. As per instructions coveyed in Govt. order No.867-Muz. 172-11-2 dated 20.10.11, the divine services in Temples, Mosques and Churches were conducted on the morning of the 12th December 1911 and special abishekhams and archanas were performed. This was followed by feeding and clothing the poor. In several places the leaders of communities undertook to feed their respective caste people at their own cost. It is reported that feeding at Seringapatam began one day earlier viz. on the 11th December and continued on the following day also, that one Mr. Chowbeene Siddaiyya a rich land holder fed all classes of Brahmins sumptuously at his own cost and distributed dakshne also and that Messrs Veene Rangaswamiengar and P.Shama Rao gave clothes to 30 persons at their own cost. The Amildar of Gundlupet reports that the marginally noted persons fed and clothed the poor at their own cost

Mr.Kabballi Siddalingappa fed about 2000 poor Hindus.
Messrs Mahamad Shek Sab and Mohamad Sab fed about 500 Mussalmans.
Mr.Balachavadi Settappa gave clothes worth about Rs.50 to females.
Messrs. Davoji Rao-Narasinga Rao and Tukka Rama Rao Tailors that Messrs each a piece of white cloth measuring 40 yards.

Messrs Honnegowda and Borayya in the same Taluk distributed sweets to school children at a cost of Rs.70 and that Mr. Achasetti Venkatasetti bore the Durbar expenses which came to Rs.30. I beg to append an extract from this Amildar's report being of peculiar interest.

Then came ~~to~~ sports to school children and the following is the programme of sports, most of them being common to all Taluks.

1. Flat race. 2. High Jump 3. Long Jump 4. Throwing the bullet 5. Picking the pebbles 6. Sack race 7. Three legged race 8. Bell in the ring 9. Tug of war. 10. Pillow fight 11. Bicycle race 12. Slinging the ~~&&&&&&~~ monkey-open 13. Obstacle race 14. Blind fold chatty race 15. Wheel barrow race 16 Novelty race 17. Figure running.

In addition to the above there was a decorated bandy and bullock parade at Hunsur and two prizes were awarded for the same. Wrestling and local acrobatic feats were also performed in some places. There were police sports at Seringapatam, about 20 constables taking part in them.

6. After the above events, came the Durbar programme The arrangements made in all the Taluks to carry out this important function were generally splendid. The Durbar was held in the Public buildings which were beautifully decorated for the occasion. Special Durbar pavilions were erected at Krishnarajpet and Gundlupet, the latter having spent Rs.90 for the purpose. The main enterances had triumphal arches bearing "God save Our King- Emperor and Queen Empress" with the coat of Arms of Mysore decked beautifully. A raised dais was placed over which the Portraits of their Majesties enshrined and the portrait of H.H. the Maharaja was placed beside them Seats were provided for boys and girls also and the National Flag was hoisted sufficiently high to be distinctly seen by all

Malavalli
Seringapatam
Nanjangud
Hunsur.

7. When the appointed hour viz. 12 noon arrived, the Durbar was opened and the Royal Proclamation read by the Amildars they being the Senior Civil Officers except at the marginally noted places where the respective Sub Division Officers were

People stood up when the Proclamation was read and listened to it with rapt attention. The Amildar of Gundlupet reports ~~that by~~ that by a pre-arranged contrivance a decorated crown descended from above and lodged itself on their Majesties' Portraits, and artificial flowers showered on them as soon as the reading of the Proclamation was over. The National Anthem 'God Save the King-Emperor was sung amidst the applause and enthusiasm of the people and a Feu-de-Joi was fired by the Local Police and Barr Forces.

The English and Kanada copies of the Proclamation were then distributed. Benedictory verses were read by local Pandits and Khajis. Speeches were made regarding the advantages of British Rule in India Lectures were delivered in Kanada-English and Hindustani on 'Loyalty' to British Throne.

It is reported that a boy of 13 years by name Gopala Iyengar read an essay on the 'benefits of British Rule' at the Durbar held at Seringapatam and won the prize awarded by Mr. Mahadevayya- Munsiff. The money prize of Rs.5 offered by Mr. Javaraiya of Seringapatam was distributed among the girls for singing the songs specially composed for the occasion.

8. In the T.Narasipur Taluk the sealed cover containing the 'Proclamation' was taken round the town in procession with all pomp and splendour before the Durbar began.

9. The Durbarees were then given a musical treat and the Durbar was brought to a close by the distribution of Pan-supari, attar and flowers to those who were present, the bands playing outside.

10. The invited guests were then treated to light refreshments and after this was over the people witnessed the final heats of sports after which prizes were given to winners in sports and sweets were distributed to all school children. It may be mentioned here that the Amildars of Gundlupet and T.Narsipur Taluks report that many Panchama students took part in sports and were the recipients of prizes.

11. In the evening the local Deities were taken round in procession throughout the towns which were illuminated in

in different colored lights ; and after the procession was over the people attended the special prayer which were offered as prescribed by Government; and with Maha-mangalarati and with Maha-asirvadam the celebration of this solemn, unique and auspicious event came to a successful end.

All the Public buildings were brilliantly illuminated and a grand display of fireworks was exhibited. The illumination on the Mosque at Seringapatam appears to have afforded a splendid spectacle as dry cocoanuts were used for the purpose.

There were dramatic entertainments in some places. It is also reported that Portraits of Their Imperial Majesties were taken round in procession through the gaily decorated streets amidst cheers and greetings of the populace.

12. A statement showing the names of the members of each local committee is herewith submitted.

13. The number of poor people fed and clothed in the several Taluks was approximately 13500 and 900 persons respectively; and the number of people who took part in the various proceedings including the Durbar at Taluk Head quarters is estimated to be 34000 people. The entertainments given to school children took the form of sports and distribution of sweets and the number of school children who took part in sports and who received sweets is estimated to be 7,000. The number of places of worship in which prayers were offered is estimated at 300.

14. <u>Other points of special interest</u>.

To commemorate this eventful and memorable day, planting of trees, such as Halasu , Mangoe, Cocoanut and other fruit bearing trees was ordered by me and I am glad to report that a good start has been made in this direction. The Coronation committee at Seringapatam resolved at the final meeting to form a separate committee for taking steps for the planting and proper maintenance of cocoanut and Eucalyptus trees and that the unexpended portion of the amount subscribed for Coronation festivities should be sued to meet the cost of 500 Eucalyptus trees purchased for planting on the Coronation day and for their maintenance. The planting of Eucalyptus trees

trees at Seringapatam has been undertaken as a remedial measure against Malaria.

The foundation stone for building a Coronation hall at Seringapatam was laid and 'Shantasrama' (or rest house) was opened for the use of Sadhus and to associate the Ashrama with the most joyous event of Their Imperial Majesties' Coronation. In connection with this event it has been arranged at Seringapatam to prepare kerosine oil emulsion at private cost for the destruction of Mosquito larval and it is reported that the experiment has already been set on foot.

A Coronation Park was opened at Gundlupet and a Reading Room was started at Periyapatam. The construction of a Coronation Hall at Nanjangud has been arranged and as soon as a proper site is selected, the construction of the building will commence. The cost of the Coronation buildings at Seringaptam and Nanjangud estimated at Rs.3000 each is proposed to be met from public subscriptions.

15. The Coronation festivities were celebrated also in the marginally noted places in a fitting manner.

Special services were held in temples, the poor were fed and clothed and the school children were treated with ~~with~~ sweets and sports were held. There was illumination. It is reported that 700 persons were fed and clothed at Periyapatana and that people subscribed to the extent of Rs.202-8-0.

Sree Yattiraj Mutt at Melkote observed the Coronation day with all rejoicings. The learned Vaidika Brahmins were fed sumptuously and there was deepotsava in the evening. Blessings were invoked for the long life of their Imperial Majesties and sanskrit verses were made in praise of the importance and solemnity of the Coronation Durbar.

16. In conclusion I beg to state that the leading gentlemen in all the Taluks are said to have heartily cooperated with the Taluk authorities to celebrate the event in their respective Taluks. The interesting reports received from Amildars amply

amply testify the spirit of loyalty and devotion manifested by Officers and the public alike in carrying out the intentions of Government All the gentlemen who were entrusted with the management of the several items of the programme are reported to have thrown their heart and soul to make the celebration a brilliant success. The whole public were imbued with genuine loyal feelings; and the various lectures that were delivered at the different local Durbars on the benefits of British Rule in India and Loyalty to the paramount power clearly indicate that nothing but pure and simple loyal sentiment pervaded all classes of people.

17. The success of this unique event being due to the zeal, devotion and loyalty exhibited by all classes of people, both Officers and public alike, it is rather difficult to particularise the services of any single person for recognition.

However I give below the names of private gentlemen specially communicated by the Divisional Officers concerned.

After declaring the park open I inspected the feeding of the Hindu and Mohamadan poor. In this connection I beg to bring to your kind notice the whole-hearted devotedness of Mr. Kabbahalli Siddhalingappa who had undertaken to feed the Hindu poor. This gentleman sent his son Mr. Channabasappa from his village to Gundlupet on the 11th instant to make arrangements for feeding the poor. At the back of Mr. Channabasappa, a few hours later, ran a messenger carrying the sad news ~~would make his son run back to the village~~ of the death of the beloved grand-daughter of Mr. Siddalingappa. Fearing that the sad news would make his son run back to the village the father had sent orders to his son that the latter should leave Gundlupet on no account. Such was the philanthrophy of the gentleman under such sad circumstances.

All the local officers and the leading gentlemen of the localities attended the Durbars. At the Taluk Head-quarters, the Royal Proclamation was read at the appointed hour by the Amildars of the respective Taluks except at Chennapatna where the Sub-Dvision Officer read the Royal Proclamation. In the minor municipal towns and unions the local Sub-Assistant Surgeon or the Sheikdar read the Royal Proclamation. At the Taluk Head-quarters salutes of 101 guns were fired at 12 Noon, utilizing the guns with the Barr Sepoys and Police men, blank cartridges having been specially provided for the occasion. Sir,

I have the honour to submit the following report of the Coronation Celebration festivities held in the City of Mysore on the 12th day of December 1911.

2. After the receipt of Government Proceedings No.G 1768-824/G.M.101-11-5 dated the 18th September 1911 directing that the said festivities should be locally celebrated in a befitting manner, the Municipal Council in their Resolution No.VI dated the 31st October 1911, contributed a sum of Rs.2,000/- in addition to the Government grant of Rs.1,500 for meeting the Coronation expenses. It was resolved at the

the said meeting (1) that a Durbar be held at midday on the 12th December in the Ranga Charlu Memorial Hall for reading the Royal Proclamation, (2) that the poor of all classes -- should be given rice and money, (3) that all the infirm and decrepit such as the blind, the dumb, etc., should in ---- addition be given clothing, (4) that sports should be held for the children of all schools, (5) that sweets should be distributed to them, (6) that all the Public Offices should be illuminated and fireworks displayed in the evening and (7) that the Superintendent of the Sri Chamarajendra Karnataka Nataka Sabha be requested to arrange for a dramatic perform--ance from 9-30 to 11 P.M.

3. Various Sub-Committees were formed as per accompany--ing list to carry out the above programme.

4. The distribution of money and rice to the poor of all classes commenced at 8 A.M. on the 8th of December 1911 in two places, viz., (1) the new Karohatty and (2) H.H. the Maharaja's Body-guard Lines. The total number of persons that received rice and money came to about 5,000.

5. Clothing was distributed to about 800 persons who were either infirm or disabled or blind etc., in H.H. the Maharaja's Body-guard Lines on the morning of the 9th Decr.

6. At 12 noon on the 12th December 1911, a formal -- Durbar was held in the Ranga Charlu Memorial Hall which was choicely decorated for the occasion. All the officers of the District (both European and Native), Municipal Councillor leading citizens, land holders and other gentlemen numbering about eight hundred, had been invited to the Durbar and the Royal Proclamation was read both in English and Kanarese with an introductory speech from the Deputy Commissioner. The -- Palace Band played "God save the King" and a Salute of 101 guns was fired from the Palace Battery. Sanskrit Verses --- composed by Pandits Raghupathiya Char, Saralakavesuri Raja Gopala Char, and Vasudeva Char, and Hindustani Verses composed by Moulvi Dervesh Peer Sahib, for so memorable an occasion, were then read.

7. After distribution of flower garlands and pan supari to the gentlemen invited, the Durbar came to a close, with three hearty cheers given to His Imperial Majesty the King-Emperor.

8. Special prayers with ceremonies befitting the --- auspicious occasion were offered on the 12th December 1911 for the long life and prosperity of Their Imperial Majesties in all places of worship under the direction of the State Muzrai Department.

Money prizes were distributed to the winners and fruits to those taking part in the games. The number of children that interested themselves in the sports may be estimated to about 8000. The accompanying report received from Rev.H.Gulliford who was the Chairman of the Sports Sub-Committee, will give an -- interesting account of the sports programme got up both for boys and girls.

10. In the evening the Public offices, the Lansdowne Bazaars, the Ranga Charlu Memorial Hall, the Clock Tower Square, the Masonic Lodge, the City Magistrate's Court, the Jubilee Hall, the Maharaja's College and other private --- institutions were illuminated, and there was a very fine -- display of fireworks at 7-30 P.M. in the maidan behind the Public Offices.

12. On the 13th December 1911, sweets were distributed to all the boys and girls of all the schools in the City, numbering about 8,700.

13. It gives me very great pleasure to bring to the notice of Government in this connection that Sowcar and -- Cloth Merchant Mr. K. Madhava Rao of the City unostentatiously willingly and generously fed on the Coronation day about 3,500 poor persons of all classes and distributed clothing to about 550 who were really poor and needy.
